LEAD LIKE JESUS: The Leadership Encounter Workshop

Overview:
A Leadership Encounter is a one-day workshop in a collegial environment with a trained facilitator and others seeking to Lead Like Jesus. Packed with action-oriented learning and reflection, the workshop closely examines Jesus as a leader and a model while equipping participants to lead as He led. Whether you seek a relevant and effective model for day-to-day leadership or want to learn more about leadership skills, you will be challenged like never before to look at Jesus in a new and life-changing way. Throughout the event, you will not only discover your own personal barriers to effective leadership, but you will also learn about the power of the *heart, head, hands*, and *habits* of Servant Leadership.
