LEAD LIKE JESUS

# *The Leadership Encounter Workshop*

*The greatest among you will be your servant. For whoever exalts himself will be humbled, and whoever humbles himself will be exalted.*
*Matthew 23:11*

## Overview:

***A Leadership Encounter*** is a one-day workshop in a collegial environment with a trained facilitator and others seeking to Lead Like Jesus. Packed with action-oriented learning and reflection, the workshop closely examines Jesus as a leader and a model while equipping participants to lead as He led.

Whether you seek a relevant and effective model for day-to-day leadership or want to learn more about leadership skills, you will be challenged like never before to look at Jesus in a new and life-changing way. Throughout the event, you will not only discover your own personal barriers to effective leadership, but you will also learn about the power of the *heart, head, hands*, and *habits* of Servant Leadership.

## Participant Benefits:

- A new appreciation for Jesus as a viable role model for leadership in the 21st century
- Insight into the common struggles and strategies of leaders trying to walk their faith at home, work, church, and in their community
- Direction on the path of discovering or refining your leadership point of view
- Meaningful experience with five of the ways that Jesus stayed focused and on purpose with His leadership assignment from the Father
- A feeling of support from a faith-based community
- A recommitment to a better way to lead – with Jesus as your model and the Holy Spirit as your teacher
- Tools to assess your current leadership motivations and behaviors and a method for re-aligning them daily in the way that Jesus would want
