

## MINORS:

Students may substitute a minor and 14 hours of Professional Studies courses for the additional major. The regular courses for General Education, Bible/Theology, and Professional Studies will remain the same. They may also take the required courses for a minor in addition to their major. This procedure would provide them with qualifications in an additional field of study. If a student has already taken a required course in the minor to fulfill a requirement for the major, then an elective in the minor's field of study may be taken to replace it. If no electives are available, then the student may take another professional studies course in its place. To receive the minor in addition to a major, a student must take the number of hours required by that minor in addition to the number of hours required for the major degree program.

<b>GENERAL EDUCATION REQUIREMENTS</b>	<b>46 Hours</b>
<b>BIBLE/THEOLOGY MAJOR REQUIREMENTS</b>	<b>39 Hours*</b>
<b>PROFESSIONAL STUDIES REQUIREMENTS</b>	<b>5 Hours</b>

\*Music Minors are not required to take 5 hours of Bible / Theology Electives.  
Therefore, they are required to take only 34 hours of Bible / Theology.

### Social Science Minor

This Minor exists to facilitate Great Lakes Christian College students who desire a GLCC degree but also plan on transferring to another college or university to pursue a vocation not offered by GLCC. Since the social sciences concentrate studies on human interactions in society, it is anticipated that this minor may be useful for students who are planning careers in areas such as social work, counseling, law, politics, or education. A broad selection of electives is listed to allow the student to design a program that is most relevant to his or her interests. Students who complete the Social Science Minor will be able to:

- Demonstrate a knowledge of and appreciation for social systems in various cultures;
- Articulate how a Christian worldview impacts one's understanding of the Social Sciences;
- Integrate Biblical and theological insight on the family with information drawn from the Social Sciences;
- Articulate how insight from the Social Sciences enables the Christian to evangelize and serve the world.
