SECTION 1: THE COLLEGE

HISTORY

Over a generation ago, men and women of God were deeply concerned with the lack of vitality and the shrinking numbers of Christian Churches/ Churches of Christ in Michigan. Their concern led to plans for founding Great Lakes Bible College, which came into being in 1949 at Rock Lake, near Vestaburg, Michigan. Twelve students were enrolled during the first year and their classes convened in the log cabin of Ralph R. Woodard, who was to become the first President of the College.

In 1951, the young College purchased a nearby eighty-acre farm, and converted it

into the first campus. Recognizing the advantages of a more urban location, the Trustees decided to move to the capital city, Lansing, in 1958. The College occupied the Dodge Mansion for fourteen years. In 1970, the College purchased a forty-acre site on the west edge of Lansing, and the first buildings were constructed for use in 1972. Additional land was later added, and facilities have been constructed as needed. In 1992, the College name was changed to Great Lakes Christian College.

MISSION

*“Great Lakes Christian College,
an institution of higher education affiliated with
Christian Churches/Churches of Christ,
seeks to glorify God by preparing students to be servant-leaders
in the church and world.”*

PURPOSE STATEMENT

Since our students will be serving primarily in Church-related, congregational contexts, our primary task is to educate men and women to be servant-leaders in preaching and other ministry roles. Secondly, the College educates students to be servant-leaders in careers related to the church (e.g. para-church organizations such as Christian schools) or institutions in the public sector. In both instances, preparing students to be servant-leaders is central to the College's founding character, history, curriculum, and campus ethos.

As a Christian academic community, Great Lakes Christian College integrates Biblical studies into every aspect of its curriculum and community life. The faculty, staff, and administration of Great Lakes Christian College regard the Scriptures as the revealed, inspired, and infallible Word of God. The Scriptures find their place not only in the classroom, but throughout the campus community, especially in student life and service.

What does it mean to be a “servant-leader”? Servanthood is a quality that resides at the very heart of Christian leadership. Regardless of one's career choice, being a servant-leader is the

central ideal. Great Lakes Christian College prepares students to be servant-leaders by equipping students with four essential characteristics of a servant-leader:

1. *Maturation of Christian Spirituality*, which requires the formation of Christian character and personal devotion to Christ.
2. *Formation of a Theological Worldview*, which includes intelligence and critical thinking skills, Biblical and theological knowledge, and the ability to integrate faith and the academic discipline of one's profession.
3. *Development of an Awareness of and Respect for Culture*, which requires students to integrate a breadth of knowledge about literature, history, music, science, mathematics and human relations, and understand their relevance to one's faith.
4. *Professional Competency and Skills*, which includes the development of interpersonal relationship skills and personal attributes conducive to one's chosen profession.

While each of these characteristics is addressed differently by each portion of the curriculum (General Education, Bible/Theology, and Professional Studies) or is defined more specifically in relation to each program, these four characteristics help define the very concept of servant-leadership. Hence, students at Great Lakes Christian College can readily say that their intention is to be servant-leaders in the church and world.

Servant-Leaders in the Church

Preparing students to be servant-leaders in the church context is the primary focus of Great Lakes Christian College. While ministry continues to broaden and specialize, Great Lakes Christian College's commitment to training preachers is its primary focus, as it has been since the College's beginning in 1949. The Christian Ministries, Cross-Cultural Ministry, and Accelerated Preacher Training programs equip students to serve in preaching ministries whether in a local congregation or in an intercultural or international endeavor. In addition to the preaching ministry, Great Lakes Christian College has programs in Christian Education and Youth Ministry that equip the student to enter other areas of ministry within the church.

Servant-Leaders in the World

Several programs are designed not only to prepare students for service in a church context, but also to provide the transition to careers and occupations outside the church context. The Music and Psychology/Counseling programs are designed to prepare students for service in the church as worship leaders and pastoral care ministers, respectively, and to prepare students for further studies in a university setting. In addition, the Cooperative Programs in Business (with Davenport University) and Elementary Education (with Spring Arbor University) enable students to receive a Christian education while preparing to be a witness for Christ in the workplace.

INSTITUTIONAL GOALS

1. To provide our students a foundation for Christian faith, thought, and character that is relevant to the challenges and opportunities of the world;
2. To develop in our students a greater awareness of the need for the Gospel in a fallen world and a personal commitment to be bearers of that message;
3. To prepare educated, faithful vocational ministers, able to lead and administer churches and/or Christian institutions throughout the world;
4. To prepare both volunteer and vocational Christian students for leadership and professional roles within the church and world;
5. To instill the restoration principles as espoused by Christian Churches/Churches of Christ in the life, faith, ministry and witness of our students;
6. To assist the churches of our constituency through special events and educational programming.

POLICIES

Great Lakes Christian College, in its endeavor to equip and train men and women for servant-leadership, shall maintain a curriculum in harmony with the Word of God.

The College reserves the right to establish rules and regulations consistent with its expectations in regard to student academic endeavors, social behavior, spiritual development, and ethical responsibilities. The Student Handbook specifically details the rules and regulations.

Attendance at Great Lakes Christian College is considered a privilege. This privilege may be withdrawn if any student fails to cooperate with the rules and regulations of the College, with its purposes and ideals, or other students. A dismissed student will not be granted credits for work done during the semester of dismissal, nor will a refund of tuition and fees be made.

Essentially, students are enrolled at Great Lakes Christian College to prepare for servant-leadership. The College expects harmonious progress and learning toward this end.

Great Lakes Christian College reserves the right to modify or eliminate programs that are described in this publication. In the event such an action is taken, students affected will be advised of the options available to them to complete their degrees. Every reasonable effort will be made to permit students to complete these programs or similar programs.

The College reserves the right to change requirements for enrollment in both programs and courses as necessary. Every reasonable effort will be made to provide alternatives for students affected.

The College reserves the right to make changes in fees, tuition, and housing rates. Every effort will be made to give as much advance notice as possible.

Current students who do not enroll for two consecutive semesters will return under the catalog requirements in force when they are readmitted.

NONDISCRIMINATION POLICY

Because of the historic commitment to Biblical principle ("There is neither Jew nor Greek, slave nor free, male nor female..." Galatians 3:28), Great Lakes Christian College has been, and remains, nondiscriminatory in all policies and programs. Great Lakes Christian College admits students of any race, color, and national or ethnic origin to all rights, privileges, programs, and activities generally made available to students at the

College. It does not discriminate on the basis of gender, race, physical handicap, national or ethnic origin in administration of educational programs, admissions policies, scholarship and loan programs, employment practices, athletics, or other activities. The College actively seeks to fulfill federal, state, and local laws and regulations in all its practices and facilities. The facilities are designed to provide access for the physically handicapped.

THE CAMPUS

Great Lakes Christian College is strategically located west of Lansing, Michigan, the state capital, in Delta Township. The forty-seven acre campus is at the corner of North Creyts Road and West Willow Highway. Within a short drive is one of the largest Big Ten schools, Michigan State University, with a library of three million volumes. Lansing is also the home of Cooley Law School, Lansing Community College, and Davenport University. Because Lansing is the state capital, there is easy access to the city by way of Amtrak, Capital City Airport, bus terminals, and interstate highways. Delta Township, where GLCC is located, is one of the fastest growing areas in Lansing. A large mall of over 100 stores and other major shopping areas are within walking distance of the College and provide opportunities for employment. Yet with all these urban advantages, Great Lakes Christian College is located in a beautiful, residential area that surrounds the spacious forty-seven acre site. Lansing is an hour and a half from Detroit and its major airport and an hour from Grand Rapids, home of several of the

Great Lakes Christian College Catalog

major religious book publishers. Indeed, Great Lakes Christian College is strategically located for convenience and affords an opportunity for an excellent education.

The main entrance to the campus is at 6211 West. Willow Highway. Immediately visible is a large complex, which includes the Ralph R. Woodard Hall and Memorial Hall. Woodard Hall houses the chapel, classrooms, and administrative offices. Memorial Hall houses the Louis M. Detro Memorial Library, the cafeteria, faculty offices, the student mall, music facilities including a rehearsal hall, practice rooms, and classrooms.

SECTION 2: ADMISSIONS INFORMATION

Great Lakes Christian College seeks students who can succeed academically and spiritually in a Christian college environment. Applicants who expect to enter a degree program must have a diploma from an accredited high school with a minimum GPA of 2.25 on a 4.0 scale and a minimum of score of 16 on the ACT or 820 on the SAT. A pattern of college preparatory studies is also recommended. A high school equivalency certificate issued by the respective State Department of Education is correspondingly acceptable, such as the General Educational Diploma (GED) with an average score of 55%. Official transcripts for all high school credits need to be sent directly from the educational institutions to the Office of Admissions.

All applicants under 23 years of age, or who have not been out of high school for more than five years, must take the American College Test (ACT) or the Scholastic Aptitude Test (SAT) and have scores forwarded to the Office of Admissions. Test results will be sent directly to Great Lakes Christian College when designated on the test registration (ACT code 2009 and SAT code 7320). ACT testing may be arranged with the Office of Admissions. A composite score of 16 on the ACT or a combined score

of 820 on the SAT demonstrates probable academic success at Great Lakes Christian College.

In some cases, an applicant may be accepted conditionally if his or her scores or GPA are below the minimum standards. Applicants accepted on probation will have two semesters to demonstrate academic success. All transcripts and materials submitted while evaluating an applicant become the property of Great Lakes Christian College to be kept in the applicant's permanent file.

A minimum of three favorable recommendations are required. The Office of Admissions will send Reference Questionnaires to individuals listed on the Application for Admission. Relatives or individuals under the age of 21 may not be used as references. One reference should be from a person familiar with the applicant's spiritual maturity, such as a minister, church leader or Bible teacher. A second reference should be from a person familiar with the applicant's work ethic in school or the work place. A third reference should be from a person familiar with the applicant's family background.

International Students

Additional requirements for International Students:

- (1) Those whose native language is not English are required to demonstrate competency in contemporary, academic English. A score of 550 or above on the Test of English as a Foreign Language (TOEFL) is required.
- (2) Letter of financial guarantee from a person or agency and a return ticket to one's country, or a guarantee of sufficient funds for a return trip.
- (3) Transcripts in English of all educational credits above the eighth grade level.
- (4) All admission requirements must be submitted to the Office of Admissions at least four months prior to the expected date of enrollment.

Orientation

All new students taking twelve or more credits are required to participate in the Orientation program offered prior to the Fall semester. Students may be excused from participation in Orientation by permission of the Dean of Student Affairs. The Orientation Fee will be charged regardless of attendance. Students will be given opportunities to familiarize themselves with

College personnel, facilities, academic essentials, and student life opportunities. Students who enroll second semester are not required to participate in Orientation. All new students are required to take the Standard Bible Content test. They may participate in an upcoming Orientation if they so desire.

Provisional Admissions

In some cases, students who apply late and cannot get transcripts and references in before registration may be accepted on a provisional basis. These students will be given two weeks for all information to be sent to the Office of Admissions. Any extension of this must be approved by the Office of Admissions.

Re-Admission

Former students not enrolled at Great Lakes Christian College for two or more semesters must submit an Application for Re-Admission to the Office of Admissions for approval at least thirty days prior to the beginning of a semester in which re-admission is requested. Re-admitted students will be under the catalog current

at the time of re-admission. Students who have been academically suspended or dismissed must submit this form sixty days prior to the beginning of the semester. The Admissions Committee will review each request and notify applicants of their status within 14 days of receiving the application.

Special Admissions

Special student status is granted to non-degree seeking/part time students at GLCC. Special students do not have to complete the entire application process, but only complete a brief information sheet and sign a statement of intent. Special students are limited to no more than four semester credits per semester at GLCC and not more than twelve semester credits cumulative at GLCC.

Transfer Students

A college transfer student must request complete transcripts from each college or university previously attended. Official transcripts for all college credits need to be sent directly to the Office of Admissions. The Registrar will determine which courses are the equivalent of required courses at GLCC and thus eligible for transfer credit.

Transfer students must complete at least 32 hours at Great Lakes Christian College to earn a bachelors degree and 16 hours to earn an associates degree. Students will not be admitted to GLCC if they have an outstanding bill at an institution previously attended.

Veterans

Great Lakes Christian College is approved by the Department of Veterans Affairs for the education of active duty service personnel, veterans, and their dependents (widows, war orphans, etc.) Veterans should apply as early as possible to expedite handling of VA forms. Official acceptance for admission is required to qualify for educational benefits.

Homeschoolers

Applicants who enter a degree program must submit a transcript of all classes taken. Students must have a minimum of 2.25 GPA on a 4.0 scale. A pattern of college preparatory studies is also recommended. If a transcript cannot be produced, than applicants must take the general education diploma (GED) exams and score a minimum of 55.

All applicants must take the ACT or SAT and score a minimum of 16 (ACT) or 820 (SAT).

Music Major and Minor

The Music Department seeks to encourage the student to cultivate musical skills and talent. Students are given opportunities to understand, appreciate, and utilize a variety of musical forms, in several different contexts – worship, public performance, and private enjoyment.

The Music Major Program is designed to equip students in music worship ministry areas for the local church, to give them experience in performance, to help them gain expertise in their primary instrument (voice, guitar or piano), and to provide a foundation for further music study.

Graduates who complete the Music Major will be prepared to:

- ? Organize and direct music and/or worship ministry in the church.
- ? Demonstrate proficiency in an area of performance or worship.
- ? Exhibit competency in the areas of music theory, music history, and conducting.
- ? Display leadership skills in developing musical talent and skills in the lives of others.

ENTRANCE AUDITION

Students intending to major or minor in music must demonstrate musical potential by successfully completing an entrance audition before the music faculty. Entrance auditions are held during Freshman Orientation (or arranged by permission from the music faculty). Requirements for the audition are as follows: Perform three pieces that demonstrate your musical ability in your selected primary instrument (either voice or piano), one piece must be memorized. Contrasting styles of music are preferred, but not necessary. Be prepared to sight-read.

NOTE: A music student must successfully complete the sophomore jury examination (see below) in order to continue study as a music major.

APPLIED STUDIES

Music Majors – 9 credits of applied studies	Music Minors – 6 credits of applied studies
<ul style="list-style-type: none">? A music major must select a primary applied instrument (either voice or piano) and accumulate 6 applied credits. (However, it is recommended and generally expected that students will take 1 credit of applied primary instrument every semester.)? A music major must take one applied credit of a secondary instrument.? A music major must participate in one performance group (choir, ensembles, Madrigals, or instrumental ensemble) each semester and accumulate a minimum of 2 credit hours.	<ul style="list-style-type: none">? A music minor must select a primary instrument (either voice or piano) and accumulate 4 applied credits.? A music minor must participate in a performance group (choir, ensembles, Madrigals, or instrumental ensemble) for two semesters and accumulate 2 credits hours.

RECITAL REQUIREMENTS

Music majors in the performance track must complete an individual sixty-minute senior recital, and in preparation, are encouraged to also complete a thirty-minute junior recital. Music minors must complete a thirty-minute senior recital. A student may be advised to take additional applied hours during recital preparation. Music majors in the worship track must complete a sixty-minute musical worship event.

JURY EXAMINATIONS

Every student who is enrolled in applied studies must complete a jury examination at the end of each semester of study. These examinations help determine the final grade and provide a basis for evaluating the student's progress. Music students must successfully complete the **SOPHOMORE JURY EXAMINATION** in order to continue study as a music major. Students must demonstrate progress in their primary instrument and the potential ability to perform a senior recital. This exam is held upon completion of two years of study (or the equivalent thereof) in the applied primary instrument.

Psychology / Counseling Major

Churches and parachurch organizations increasingly turn to Christian counselors for assistance in meeting the needs of employees, members, and clients. Counseling in a Christian context can make a significant contribution to improving the life experience of individual Christians and to developing a healthier society. This degree does not lead to credentialing in Counseling, which almost always requires a graduate degree.

Graduates who complete the Psychology/Counseling Major will be able to:

- ? Demonstrate a detailed knowledge of psychological terminology;
- ? Access and evaluate available community resources that may be helpful (e.g. professional counselors, health practitioners, support groups);
- ? Provide counseling on a non-professional basis within one's own church setting;
- ? Comprehend and participate in research studies in psychology;
- ? Demonstrate skills in selecting and using Scripture in the counseling process.

Book and backfile periodical holdings are comprised of more than 54,000 volumes. Print subscriptions to journals, periodicals, and series currently number 246 titles. GLCC electronic subscriptions through Access Michigan (an initiative through the State of Michigan) link patrons via Internet to over 4,700 full text periodicals and 6,500 e-book titles. This service is available 24 hours per day, 7 days per week; whether on the network or anywhere with Internet access. Students, faculty, and Alumni Association members all have access to the Library's on-line catalog to search for book titles, and place electronic reserves on titles they wish to have held for them 24 x 7 either on or off campus.

Detro Library is a member of the OCLC InterLibrary Loan System and MichiCard. These memberships provide Library patrons reciprocal borrowing privileges, allowing access to hundreds of public and academic library collections nationally. Local institutions include Lansing Community College and Michigan State University in neighboring East Lansing.

Audio-visual materials include 290 educational films, filmstrips, 35mm cassette tapes, 368 VHS films, and 72 instructional music CDs.

GLCC and Detro Library servers utilizes T-1 line technology for Internet access. Internet access is available in every office, classroom, dorm room and Student Mall. The Library Technology Center provides accommodations for research, instruction, and up-to-date equipment facilitating the latest teaching methods. It also supports GLCC online courses. Public terminals are located in the circulation area of the Library as well. To compliment the technology, the Library has 63 computer programs and software to support curriculum and research. Some of these databases are listed below:

Detro Library also subscribes to American Theological Library Association Serials On-Line (full text back to 1949), and ProQuest (a premier periodical database).

ADDITIONAL ACADEMIC RESOURCES

The music program has five practice rooms which are solely used for that purpose, as well as two classrooms which support music instruction. GLCC also has a science laboratory designed to support Biology and Physical Science. Every regular classroom has both Internet access (both wired and wireless) and either a TV/VCR or projection units.

STUDENT SUPPORT SERVICES

The academic advising, counseling services, and health services provided and/or made available by GLCC are explained on pages 77, 85 and 86. Career counseling and placement are currently done through the academic advisors and the Dean of Student's Office. For those students in a cooperative program, career counseling and placement are provided through the other institution, e.g. Davenport University for business students and Spring Arbor University for students in elementary education.

SECTION 6: ACADEMIC POLICIES

ADVISING

All students are assigned a faculty member for academic advice and planning based on their educational goals and plans. If a student should change plans, that student may be re-assigned to another advisor. *It is the student's responsibility to study and know the requirements as stated in the Catalog and to be certain he or she is fulfilling them.*

ATTENDANCE

Students are expected to attend every class session of the courses in which they are enrolled unless hindered by sickness, a family emergency, or some other extenuating circumstance. It is the student's responsibility to secure notes and other materials missed when absent.

It is the responsibility of the instructor to make clear in the course syllabus the exact attendance requirements for that course, as well as the consequences of failure to abide

by those requirements. By College policy, instructors do allow students to have absences equivalent to two weeks of class sessions without penalty. The instructor may require compensatory work which will enable the student to gain the knowledge and/or experience which was missed. Students must attend at least 50% of a course to receive a passing grade. Failure to attend at least 50% of the course will result in a grade of 0.0 for the course.

CHAPEL

Chapel is viewed as an important part of the process of spiritual formation at GLCC. Chapel attendance is expected for all GLCC students. Students are encouraged to attend by being given .5 credits for a grade of "satisfactory" in Chapel. "Unsatisfactory" grades are also recorded on the student's transcript. Chapel is regularly scheduled on Tuesday and Thursday from 11:00 a.m. – Noon, and on occasion on Wednesday from 11:00 a.m. – Noon (e.g. Missions Emphasis Week, Lectureship, etc.). However, in the following instances, the Dean of Student Affairs may waive Chapel attendance:

1. If the student is enrolled for less than twelve credits;
2. If the student has an irreconcilable work schedule with regularly scheduled Chapel services. Irreconcilable is defined as being unable to reschedule work hours to permit Chapel attendance. It is not a matter of convenience or preference;
3. If the student is a distance-commuter without courses on Tuesday or Thursday.

Students desiring to have Chapel attendance waived must petition in writing to the Dean of Student Affairs stating the reason(s) for their proposed absence from Chapel. The student will receive a written response from the Dean of Student Affairs regarding the acceptance or denial of the petition.

Approval for excusing a student from Chapel attendance is granted only by the Dean of Student Affairs and is official only when it is in writing.

If a student misses more than seven Chapel sessions he or she will receive an "unsatisfactory" Chapel grade for the semester.

Courses may be cancelled due to insufficient enrollment. A minimum of four students in a course taught by full-time faculty or five students in an adjunct faculty member's course is required. Students will be permitted to amend their schedules within two weeks of the cancellation with no fees or fines.

CREDIT by EXAM & ADVANCED PLACEMENT POLICY

A student may be granted college credit through the exams of the Advanced Placement Program of the College Board. Credit may be earned with a score of 4 or 5. A score of 3 on a test which fulfills a course requirement will allow waiver of the course.

Up to one year's credit (32 hours maximum) may be earned through Advanced Placement testing.

Courses awarded credit by Advanced Placement testing will be assessed a processing fee of \$30.00 for each credit hour awarded. Advanced Placement credits already awarded by another institution will not be subject to a processing fee at GLCC.

FINAL EXAMS

Final exams are scheduled during the last week of each semester. The student must make arrangements for missing an exam prior to the scheduled exam time. Students may request a change in the exam schedule if three or more exams are scheduled for the same day.

GRADES

Each student's cumulative grade point average (GPA) will be computed at the end of each semester. A report of the student's grades is sent to the student, and a permanent record of the student's courses, credits, and grades is filed in the Academic Office. The following grading system is used:

Grade Point	Numerical Value	Description
4.0	100 - 97	Excellent
3.7	96 - 94	
3.3	93 - 91	
3.0	90 - 88	Good
2.7	87 - 85	
2.3	84 - 82	
2.0	81 - 79	Average
1.7	78 - 76	
1.3	75 - 73	
1.0	72 - 70	Poor
0.7	69 - 67	
0.0	66 - 0	Failing
WP		Withdrew Passing
WF		Withdrew Failing
WI		Withdrew Before Deadline
WA		Withdrew to Audit
SA		Satisfactory
UN		Unsatisfactory
PA		Pass
FA		Fail
IN		Incomplete*
DF		Deferred**
AU		Audit

* **Incomplete** When a student is unable to complete the required work for a course by the last day of the semester because of some unavoidable circumstance (such as serious illness or death in the family), the student may request a 30-day extension to complete the work.

** **Deferred** When a student is unable to complete the required work for an independent study, special study, research, or an internship during the term of registration, the student may request a maximum 90-day extension to complete the work.

To receive either an **IN** or **DF**, a student should obtain the appropriate form from the Registrar's Office, have it signed by the instructor, and return it with the \$10.00 fee to the Academic Office prior to the beginning of final exams. The student then has the allowable days

to complete the work. At the end of the allowable time, the instructor is required to submit the grade as it stands at that time to the Registrar's Office. If no grade is submitted, the Registrar will assign a 0.0 for the course.

GRADUATION

Students intending to graduate from GLCC with either an Associates or Bachelors degree must meet the following requirements:

1.	Attain a minimum 2.0 cumulative GPA upon graduation.
2.	Successfully complete a minimum of 64 semester hours for an AA/ARE, 128 semester hours for a BRE, or 131 semester hours for a BS.
3.	Successfully complete the courses required in the General Education, Bible-Theology Major, General Electives, and one of the following two options: a. A major, e.g. Christian Ministries, Christian Education, Cross-Cultural Ministry, Counseling, Music, Youth Ministry. b. A minor and 14 hours of professional studies.
4.	Satisfactorily fulfill the Outreach Ministries requirement (see page 77).

TRANSFER OF CREDIT AND GRADUATION:

For transfer students, a minimum of 32 semester hours of credit for the BRE or BS, or 16 semester hours of credit for the AA or ARE (25%) must be taken from GLCC to graduate.

EXIT EXAMINATIONS AND GRADUATION:

To participate in graduation, seniors are required to take exit examinations, but they do not affect one's grades or class standing.

GRIEVANCE POLICY

The first step in the grievance procedure is communication between the student and the faculty member. In the event that the student and faculty member cannot reach a resolution on their own, the Vice President of Academic Affairs will arbitrate the dispute between the parties. In the event the student-faculty grievance directly involves the Vice President of Academic Affairs, a committee of no less than two faculty members will be appointed to serve as a Grievance Committee.

The student should first of all attempt to settle any classroom problems directly with the instructor involved. If he or she is not able to reach a satisfactory solution, he or she may appeal in writing to the Vice President of Academic Affairs. In the event he or she is not satisfied with the decision, the student may appeal to the President of the College. The decision of the President shall be final.

HONORS

In order to encourage academic excellence, the College has provided for the recognition of scholastic achievement in the following ways:

DEAN'S LIST

At the end of each semester a list of the full-time students (12 hours or more) who have a semester grade point average of 3.5 or above will be posted.

DELTA EPSILON CHI

The purpose of Delta Epsilon Chi Honor Society, the honor society of the Accrediting Association of Bible Colleges, is to encourage and honor outstanding academic scholarship, approved Christian character, and Christian leadership ability among the member schools of the AABC.

Persons eligible for membership must maintain an average grade of at least 3.3 in the 4-point system or its equivalent and demonstrate Christian character and leadership ability. Not more than 7% of the graduating class may be elected to membership.

Election to membership is made by the executive committee of Delta Epsilon Chi upon recommendation of the faculty. Membership in the society is open to all graduates of all colleges of the Accrediting Association of Bible Colleges.

SIGMA DELTA DELTA

The purpose of Sigma Delta Delta, the honor society of Great Lakes Christian College, is to encourage and honor academic excellence in those pursuing a life of ministry.

Persons eligible for membership are seniors graduating with honors from GLCC. Election to membership is upon recommendation of the faculty and the approval of the Board of Trustees.

GRADUATION HONORS

Students who have achieved academic excellence will be given the following honors upon granting of the Bachelors degree:

3.3	cum laude
3.5	magna cum laude
3.8	summa cum laude

Each graduating class of Bachelors students will have a valedictorian and salutatorian, provided the students with the highest GPAs have at least achieved *cum laude*. Transfer students must complete a minimum of 72 semester hours at GLCC for valedictorian or salutatorian eligibility.

HONORS CHAPEL

Honors Chapel is held during the last Chapel session of the College year. Special recognition is given for achievement in academics.

INDEPENDENT STUDIES

Independent Studies are designed for junior or senior students to provide an opportunity to take required classes that they are unable to take as regularly scheduled because of scheduling conflicts caused by the College. To take an Independent Study, the student must, at

least one week prior to the start of the semester, obtain a Non-Classroom Instruction Form from the Registrar's Office, complete the student portion, have the instructor complete the requirements, and have it approved by the Vice President of Academic Affairs.

MAJOR – MINOR DECLARATION

All students studying for a Bachelors degree must select a major or a minor and file a Major-Minor Declaration form with the Registrar's Office prior to enrollment as a junior. It is to the student's advantage to declare this and return the form to the Registrar's Office as early as possible, but no later than the first semester of a student's junior year.

DECLARATION OF MAJOR: In regard to fulfilling the requirements of GLCC majors, students are held accountable to the requirements (General Education, Bible/Theology, Major, and Electives) as stated in the catalog for the year in which the student first entered GLCC. Students who do not enroll for two consecutive semesters re-enter under the current catalog.

MID-SEMESTER REPORTS

Mid-semester reports of current grade status are issued by the middle of the eighth week of the semester to those students whose work is at the 1.7 level or lower. This report is intended to be a warning to students that if their work does not improve, they will receive a less-than-average grade.

OUTREACH MINISTRIES

Great Lakes Christian College views Outreach Ministries as a vital part of the mission of preparing servant-leaders for the church and world. Students serve in a variety of capacities in churches, para-church organizations, and in the community on a regular basis. For a "Satisfactory" grade each full-time student must serve a minimum of 15 hours during the semester and receive a satisfactory evaluation from the Director of Outreach Ministries and a field observer. As a member of the Accrediting Association of Bible Colleges, Great Lakes requires that all full-time students receive a "Satisfactory" grade for 75% of their semesters at GLCC. Guidance is provided by the Outreach Ministries Director and academic advisors concerning the selection of specific outreach ministries of the student's choosing. Detailed information concerning the program is provided in the Outreach Ministries Handbook.

An "Outreach Ministries" award in the form of a \$200.00 grant is awarded annually in the Spring to a freshman who has proved to be exemplary in their service during their freshman year. This grant is sponsored by "Women's Fellowship" of the Duplain Church of Christ, St. Johns, Michigan.

PROBATION & SUSPENSION, ACADEMIC

Semester Warning

Students failing to achieve a 2.0 GPA in one semester, but whose overall GPA is still above a 2.0, will be placed on semester warning. This warning status affects the student's academic, social, or athletic eligibility in no way. It simply serves as a warning, urging him or her to improve their academic standing.

Academic Probation

Students failing to achieve an overall GPA of 2.0 and applicants whose credentials indicate there is a likelihood of difficulty in performing at a college level will be placed on academic probation.

A probationary student may take a maximum of 13 semester credits. Students on academic probation will not be permitted to participate in College-sponsored extra-curricular activities without special dispensation by the Vice President of Academic Affairs.

Students placed on probation will have two semesters from the time they are placed on probation to attain the required GPA. In lieu of suspension, when a probationary student has made significant progress, the Admissions Committee may elect to extend probation. Should probation be extended for a student receiving Veterans Administration Benefits, the VA will be informed.

Academic Suspension

A student on Academic Suspension may not enroll for one semester. To reapply, the student must submit a Re-admission Application to the Office of Admissions at least thirty days prior to the beginning of

the semester. The Admissions Committee will then act on the application.

A student who is re-admitted after an academic suspension is on permanent probation and must earn an acceptable GPA each semester or face dismissal.

RELEASE OF INFORMATION POLICY

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. They are:

1. The right to inspect and review the student's education records within 45 days of the day the College receives a request for access. Students should submit to the Vice President of Academic Affairs, written requests to identify the record(s) they wish to inspect. The Vice President of Academic Affairs will make arrangements for access and notify the student of the time and place where the records may be inspected.
2. The right to request the amendment of the student's education records that the student believes are inaccurate or misleading. Students may ask the College to amend a record that they believe is inaccurate or misleading. They should write the College official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the College decides not to amend the record as requested by the student, the College will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding hearing procedures will be provided to the student when notified of the right to a hearing.
3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the College in an administrative, supervisory, faculty, academic or research, or support staff position (including law enforcement personnel and health staff); a person or company with whom the College has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.
4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by Great Lakes Christian College to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:
Family Policy Compliance Office
U.S. Department of Education
600 Independence Avenue, SW
Washington, DC 20202-4605

Directory information that will be released by the College without written consent of the student is name, address, telephone number, date and place of birth, major field of study, e mail address, full or part-time status, dates of attendance, degrees, awards received, most recent educational agency or institution attended by student, officially recognized activities or sports, and weight and height of athletic team members. It is the student's right to refuse the release of any directory information. The student must sign a denial of release request in the registrar's office within 10 days of the first class of the school year.

SCHEDULE CHANGES

To add or drop a course after registration, or to make any other schedule changes, students must have the change approved by the instructor and their advisor on the form available in the Registrar's Office and pay the fee, where applicable. Failure to follow the procedure when dropping a class will result in a grade of 0.0 for the course and forfeiture of any returnable fees the student may have paid.

Students may only add courses during the first ten teaching days of the semester.

During the first five weeks of instruction, the student may withdraw from a course without receiving a WP or WF. After the first five weeks of instruction, the instructor will submit a grade of WP or WF. In either case, zero credits will be earned. A WP will not be calculated in the grade point average, but a WF will be calculated in the grade point average as a 0.0. In cases of catastrophic illness or other exceptional circumstances, the student should see the Vice President of Academic Affairs.

TRANSCRIPTS

A \$5.00 fee, payable in advance, will be charged for each transcript requested. Requests for transcript copies from students and former students must be made in writing to the Registrar's Office. FAX requests are acceptable if a Social Security number is provided and it is signed. When the written request and fee are received, the transcript(s) will be sent.

TRANSFER of CREDIT

Credit for courses taken at other accredited colleges and universities may be transferred to GLCC, including correspondence work, provided the student has received a 2.0 (C) or better in the course(s). Transfer credits are not counted in the calculation of the grade point average. A student may transfer courses equivalent to GLCC courses or courses that apply to the program of study, and a maximum of 15 credit hours of open electives.

For questions or more specific information regarding the Transfer of Credit from either an accredited or unaccredited institution, contact the Vice President of Academic Affairs.

WITHDRAWAL

A student must have the approval of the Vice President of Academic Affairs, Registrar, and Dean of Student Affairs to withdraw from Great Lakes Christian College. A "Withdrawal from College" form may be obtained at the Registrar's Office. A student is expected to interview with the Registrar, Resident Supervisors, Dean of Student Affairs, Director of Library Services, and Financial Aid Director to have all obligations cleared, to have the student's account settled with the Business Office, and to meet all obligations to instructors and fellow students. Withdrawals after the first five weeks of a semester will result in receiving a grade of WP or WF for each course.

SECTION 7: STUDENT SERVICES

COUNSELING

Each faculty member seeks to establish a personal relationship with students, aiding them in selecting academic goals and encouraging them in personal spiritual growth. In addition, the Campus Minister, a College counselor, Resident Supervisors, Campus Ministry Team members and Student Life Council members help students work through any concerns or problems that arise from college experiences.

CULTURAL & RECREATIONAL ACTIVITIES

The greater Lansing area offers many cultural and recreational opportunities for students attending Great Lakes Christian College. The Wharton Center for Performing Arts, located on the Michigan State University campus, presents concerts, Broadway productions, dramas and international events. The Lansing Symphony Orchestra also makes its home at the Wharton Center. There are theaters, galleries, and art fairs throughout the area.

The Lugnuts, Lansing's minor league baseball team, provides excellent sporting entertainment.

There are a number of museums in the area and opportunities for year-round outdoor recreation at the many parks and lakes. Hiking, water sports, down-hill and cross-country skiing and golfing are all within easy travel of the College campus.

DISCIPLINE

Great Lakes Christian College desires to impose no more regulations upon its students than are necessary for orderly operations. Those it does impose are for the common good and maintenance of a Christian educational atmosphere.

The College requires the highest standards of citizenship and moral character in accordance with New Testament Christianity. It is assumed that when students apply for admission to the College they are Christians and fully aware of the conduct that is befitting Christians. It is expected that students will conduct themselves as Christians at all times and under all circumstances. The standards expected of Christians are described in the Student Handbook.

Great Lakes Christian College reserves the right to deny an application for admission or re-admission if there is reason to believe a student will not adjust to the expected standard of conduct. The College further reserves the right to take appropriate disciplinary action in the case of any student who does not adjust to these expectations.

Actions for which students may face disciplinary action by the Dean of Student Affairs or the Discipline Committee, as stipulated in the Student Handbook, include pre-marital or extra-marital sex, homosexual activity, the use of drugs or tobacco, gambling, and unlawful possession, use, or distribution of drugs, alcohol, or any controlled substance.

FOOD SERVICES

Great Lakes Christian College maintains a Cafeteria for College family and friends. Three meals per day are served Monday through Friday; one meal on Saturday and

one on Sunday. The cost of meals is included in the Room and Board fee. Off-campus guests in the Cafeteria pay for meals individually.

HEALTH SERVICES

HOUSING

All single undergraduate students under the age of twenty-two taking eight or more hours of instruction are required to live in one of the on-campus dormitories. Requests for exceptions must be approved by the Administrative Council.

The College maintains separate residence halls for single male and female students,

as well as an apartment building for married students. The buildings for single men and women are furnished. A Resident Supervisor oversees each building, and Campus Ministry Team Members help oversee activities in Men's and Women's Residences. Laundry facilities are available in each building.

STUDENT ORGANIZATIONS

Athletics

Great Lakes Christian College provides a program of athletics in which the "Crusaders" compete intercollegiately in a variety of sports. The College is a member of the National Christian College Athletic Association, which enables it to have a national affiliation that is Christian in nature. Within that organization, which is comprised of Bible colleges, Great Lakes is a Division II school.

Musical ensembles travel each year presenting special music and college programs in churches, camps, and schools.

Madrigal Dinner/Concert

Each Christmas season a series of madrigal dinners/concerts in a medieval setting are presented for the community.

The group meets twice a month for prayer and planning for participation in outreach projects such as Habitat for Humanity, Prison Ministry, Clothing Drives, and AIDS Ministry. The group also sponsors the campus-wide Missions Emphasis Week and the Annual Faith Promise offering.

Student Devotions

Scheduled devotional sessions are conducted in each suite and residence hall, as well as for the entire student body.

FINANCIAL AID

Great Lakes Christian College endeavors to keep costs within reach of all students so as many as possible can benefit from a Christ-centered education. Even so, financing a college education can be burdensome. If a student has need, financial aid programs are designed to help share the burden.

Student Federal Grants

A large number of Great Lakes Christian College students take advantage of various U.S. Department of Education programs that enable them to further their educational goals.

PELL GRANTS

This grant is made available through the U.S. Department of Education. Application is made by completing the Free Application for Federal Student Aid (FAFSA). (Enter 002269 for the Title IV Code). A Student Aid Report (SAR) will be returned to the student which should be retained for possible correction. Awards are based upon demonstrated financial need as determined by government formula.

SUPPLEMENTAL EDUCATIONAL OPPORTUNITY GRANTS (SEOG)

If a student has demonstrated a financial need the student may be considered for the SEOG. The award is based on the family's ability to contribute as determined by the FAFSA.

VETERANS BENEFITS

Financial assistance is available to veterans of the U.S. Armed Forces. Benefits may vary according to the specific government program. Application forms for these benefits are available in the Financial Aid Office.

VOCATIONAL REHABILITATION GRANTS

Students with physical or mental impairment are encouraged to apply for this grant. The State Vocational Rehabilitation Division determines the grants, which may be applied to tuition and certain fees.

Student State Grants

MICHIGAN COMPETITIVE SCHOLARSHIP

Available to Michigan students attending public and non-public Michigan colleges and universities. Applicants must take the American College Test (ACT) prior to college entry and release the scores to the State of Michigan. Participating in the April, June, or October test

dates of the year prior to entering college assures consideration for the student's freshman year.

MICHIGAN TUITION GRANT

Available on the basis of demonstrated need to Michigan students attending non-public degree-granting Michigan colleges and universities.

Note: A student cannot receive a Michigan Competitive Scholarship and a Tuition Grant at the same time. The student must be pursuing an A.A. or B.S. degree to be eligible for either program. A student may apply for these awards through the Free Application for Federal Student Aid (FAFSA). The first Michigan college listed on the FAFSA is the college through which the State processes any award. Should the student choose to attend a different college, the State must be informed of this change at 1-888-4-GRANTS. State law mandates that this grant be used only for tuition.

Student Loan Programs

If a student does not have immediate resources to complete payment for educational expenses, the student may choose to borrow against future earnings (full-time employment after the completion of the student's educational program) through several loan programs.

STAFFORD LOANS

A student may apply for this government-subsidized loan on which no interest accrues while the student is in college by completing the Free Application for Federal Student Aid (FAFSA). Repayment begins six months after the student ceases to be enrolled at least half-time.

MICHIGAN DIRECT STUDENT LOANS (MDSL)

If a student is a Michigan resident and has been denied loans by the local bank the student may apply for the Michigan Direct Student Loan. The program has the same conditions as the Stafford program.

PARENT LOAN FOR UNDERGRADUATE STUDENTS (PLUS)

Parents may borrow for the cost of a student's education using this program. Repayment and the calculation of interest begin within 60 days after the disbursement of the funds obtained from the loan. If the student is an "independent" (self-supporting) student, the student may borrow under the **SUPPLEMENTAL LOANS FOR STUDENTS (SLS)** program. A student enrolled at least half-time may obtain a deferment on this Stafford Loan.

Student Employment

Many students need to earn a portion of the cost of their education while in college. Applications for Great Lakes Christian College employment are provided through the College Business Office.

COLLEGE WORK-STUDY (CWS)

If a student has a financial need, the student may be able to participate in this Federally-funded program. There are many jobs on campus in a number of different areas of the College. Eligibility is based on the FAFSA.

MICHIGAN WORK-STUDY

A state-funded program for Michigan residents which has same criteria as the CWS program.

OFF-CAMPUS EMPLOYMENT

Many students find part-time employment in retail stores, restaurants, and other areas of employment in the general vicinity of the College. Great Lakes Christian College students have

an excellent reputation with employers in Lansing. Many call the College for student referrals. Employment information is posted by the College.

College Grants and Scholarships

Great Lakes Christian College makes available several grants and scholarships to students who demonstrate special ability and/or who show financial need. All students who wish to apply for scholarships must also apply and be accepted for admission. The student must also complete a FAFSA (see section on PELL GRANTS). Scholarship Applications can be obtained from the Office of Admissions.

Scholarships are granted to students who are in good standing with the College. Any returning student for the Fall Semester with a probationary status is ineligible for the following GLCC scholarships.

Students qualifying for GLCC scholarships will be awarded an amount which may be up to, but which cannot exceed, the total amount charged for GLCC tuition. GLCC scholarships apply only to Great Lakes Christian College courses, **not** extension, co-op courses, or private instruction.

This group of scholarships requires a student to submit a completed Scholarship Application each year to receive consideration for the scholarship. Students must be accepted applicants and have completed a FAFSA to be eligible for the following scholarships.

ACADEMIC SCHOLARSHIP

A PHILOSOPHY FOR TEACHING FACULTY

The role of teaching faculty at Great Lakes Christian College may be defined as “mentors/teachers and scholars”. First of all, our faculty are to be **mentors** to less experienced Christian brothers and sisters, otherwise known as their students. Mentoring occurs both inside and outside the classroom. It assumes a relationship of mutual submission (Ephesians 5:21) between fellow-Christians. It requires a servant’s heart on the part of the faculty. Mentoring also implies wisdom on the part of the faculty and trust and respect by the student. Secondly, our faculty are to be **teachers**. This assumes an in-depth understanding of the content and the ability to “connect” with students in the classroom and to communicate effectively. Thirdly, our faculty are not primarily researchers and are not required to do academic research as a part of their responsibilities. They are, however, encouraged to pursue **scholarship** and to stay current in their respective fields. Evaluation of faculty flows directly from this philosophy.

As the biographical sketches which follow show, GLCC’s faculty are not only prepared academically. In addition to Doctorate and Master’s degrees they have years of ministry experience and are all heavily involved in being servant-leaders in the church and world. Every week they serve as part-time ministers, interim ministers, elders, worship leaders, and teachers in churches. They know how to mentor and how to teach, and they are experts in their respective areas.

Mrs. KENDI HOWELLS DOUGLAS

Professor of Cross-Cultural Ministry

Professor Howells Douglas grew up in a Christian home in Rochester, Minnesota, with her parents and three older brothers. Kendi learned about ministering to the marginalized at a young age, as her family often hosted missionaries in their home and she visited the elderly regularly with her mother, who was a nurse in a nursing home facility. As a teenager her desire for ministry in the fringe grew and many weekends were spent comforting victims of abuse at battered women's shelters, dispensing food at soup kitchens, carrying out music therapy at handicapped children's homes, peer tutoring Hmong refugees and working as a volunteer probation officer. Summers were made up of short-term mission trips to places such as the Dominican Republic, Mexico, the inner cities of Minneapolis, Savannah, and Chicago. While in School she remained involved in various ministries and mission trips and lived and worked in Tokyo, Japan for a year. While attending Emmanuel she met and married Will Douglas and he very much shared her vision and supported her ministry goal of teaching students at a college level in order to encourage, inspire and prepare students to enter into full time ministry. Professor Howells Douglas' passion is in the area of urban mission and she is currently writing her dissertation on the history of the Christian Churches/Churches of Christ to the cities of North America. She also enjoys research in the area of women in missions, post-modernity, and mission biographies.

Professor Howells Douglas' hobbies include all types of music, reading (her favorite authors being C.S. Lewis, Annie Dillard, Ruth Tucker, Eugene Peterson and Max Lucado), her time spent as a member of the American Missiological Society and Association of Professors of Mission, as well as traveling, and introducing her son, Truman to the exciting world and people around him.
