The COLLEGE

History

Over a generation ago, men and women of God were deeply concerned with the lack of vitality and the shrinking numbers of Christian Churches/Churches of Christ in Michigan. Their concern led to plans for founding Great Lakes Bible College, which came into being in 1949 at Rock Lake, near Vestaburg, Michigan. Twelve students were enrolled during the first year and their classes convened in the log cabin of Ralph R. Woodard, who was to become the first President of the College.

In 1951, the young College purchased a nearby eighty-acre farm and converted it into the first campus. Recognizing the advantages of a more urban location, the Trustees decided to move to the capital city, Lansing, in 1958. The College occupied the Dodge Mansion for fourteen years. In 1970, the College purchased a forty-acre site on the west edge of Lansing, and the first buildings were constructed for use in 1972. Additional land was later added, and facilities have been constructed as needed. In 1992, the College name was changed to Great Lakes Christian College.

In 2002, the “Partnering to Change Lives” campaign was started to raise the necessary funds for a multi-purpose gymnasium named the Doty Center (after the late Dr. Brant Lee Doty). This building will impact the recruiting and retention efforts for years to come as well as impacting community and constituency relationships. Presently, under the leadership of President Larry Carter, plans to construct the Doty Center are being made for 2007.

In 2003, the College received accreditation with The Higher Learning Commission, a Commission of the North Central Association of Colleges and Schools. In 2006 permission was granted to offer an A.A. degree at a Detroit site in partnership with the Institute for Black Family Development.

In 2007, the College will complete self-study evaluations for re-accreditation with The Association for Biblical Higher Education and The Higher Learning Commission.

The impact of GLCC is felt far and wide. Our alumni can be found in 40 of the United States and in many foreign countries. The Michigan churches, in particular, are impacted by our graduates who serve as preachers, youth ministers, music ministers, and Christian education directors. For over 58 years the College continues to be true to her mission of training students to be servant leaders in the church and world.

Mission

Great Lakes Christian College, an institution of higher education affiliated with Christian Churches/Churches of Christ, seeks to glorify God by preparing students to be servant-leaders in the church and world.

Purpose Statement

Since our students will be serving primarily in Church-related, congregational contexts, our primary task is to educate men and women to be servant-leaders in preaching and other ministry roles. Secondly, the College educates students to be servant-leaders in careers related to the church (e.g. para-church organizations such as Christian schools) or institutions in the public sector. In both instances, preparing students to be servant-leaders is central to the College’s founding character, history, curriculum, and campus ethos.

As a Christian academic community, Great Lakes Christian College integrates Biblical studies into every aspect of its curriculum and community life. The faculty, staff, and administration of Great Lakes Christian College regard the Scriptures as the revealed, inspired, and infallible Word of God. The Scriptures find their place not only in the classroom, but throughout the campus community, especially in student life and service.

What does it mean to be a “servant-leader”? Servanthood is a quality that resides at the very heart of Christian leadership. Regardless of one’s career choice, being a servant-leader is the central ideal. Great Lakes Christian College prepares students to be servant-leaders by equipping students with four essential characteristics of a servant-leader:

1. *Maturation of Christian Spirituality*, which requires the formation of Christian character and personal devotion to Christ.
2. *Formation of a Theological Worldview*, which includes intelligence and critical thinking skills, Biblical and theological knowledge, and the ability to integrate faith and the academic discipline of one’s profession.
3. *Development of an Awareness of and Respect for Culture*, which requires students to integrate a breadth of knowledge about literature, history, music, science, mathematics and human relations, and understand their relevance to one’s faith.
4. *Professional Competency and Skills*, which includes the development of interpersonal relationship skills and personal attributes conducive to one’s chosen profession.

While each of these characteristics is addressed differently by each portion of the curriculum (General Education, Bible/Theology, and Professional Studies) or is defined more specifically in relation to each program, these four characteristics help define the very concept of servant-leadership. Hence, students at Great Lakes Christian College can readily say that their intention is to be servant-leaders in the church and world.

Servant-Leaders in the Church

Preparing students to be servant-leaders in the church context is the primary focus of Great Lakes Christian College. While ministry continues to broaden and specialize, Great Lakes Christian College’s commitment to training preachers is its primary focus, as it has been since the College’s beginning in 1949. The Christian Ministries major, Cross-Cultural Ministry major, and the Pastoral Ministry Track of the Accelerated Ministries Program equip students to serve in preaching ministries whether in a local congregation or in an intercultural or international endeavor. In addition to the preaching ministry, Great Lakes Christian College has programs in Christian Education, Family Life Education, Worship Ministry, and Youth Ministry that equip the student to enter other areas of ministry within the church.

Servant-Leaders in the World

Several programs are designed not only to prepare students for service in a church context but also to provide the transition to careers and occupations outside the church context. The Music (Performance Track) major, Psychology/Counseling major, and Interpersonal and Organizational Communication major are designed to prepare students for service in the church and to prepare students for further studies in a university setting. In addition, the History major and Elementary Education with Spring Arbor University enable students to receive a Christian education while preparing to be a witness for Christ in the workplace.

Institutional Goals

1. To provide our students a foundation for Christian faith, thought, and character that is relevant to the challenges and opportunities of the world;
2. To develop in our students a greater awareness of the need for the Gospel in a fallen world and a personal commitment to be bearers of that message;
3. To prepare educated, faithful vocational ministers, able to lead and administer churches and/or Christian institutions throughout the world;
4. To prepare both volunteer and vocational Christian students for leadership and professional roles within the church and world;

5. To instill the restoration principles as espoused by Christian Churches/Churches of Christ in the life, faith, ministry and witness of our students;
6. To assist the churches of our constituency through special events and educational programming.

Policies

Great Lakes Christian College, in its endeavor to equip and train men and women for servant-leadership, shall maintain a curriculum in harmony with the Word of God.

The College reserves the right to establish rules and regulations consistent with its expectations in regard to student academic endeavors, social behavior, spiritual development, and ethical responsibilities. The Student Handbook specifically details the rules and regulations.

Attendance at Great Lakes Christian College is considered a privilege. This privilege may be withdrawn if any student fails to cooperate with the rules and regulations of the College, its purposes and ideals, or other students. A dismissed student will not be granted credits for work done during the semester of dismissal, nor will a refund of tuition and fees be made.

Essentially, students are enrolled at Great Lakes Christian College to prepare for servant-leadership. The College expects harmonious progress and learning toward this end.

Great Lakes Christian College reserves the right to modify or eliminate programs that are described in this publication. In the event such an action is taken, students affected will be advised of the options available to them to complete their degrees. Every reasonable effort will be made to permit students to complete these programs or similar programs.

The College reserves the right to change requirements for enrollment in both programs and courses as necessary. Every reasonable effort will be made to provide alternatives for students affected.

The College reserves the right to make changes in fees, tuition, and housing rates. Every effort will be made to give as much advance notice as possible.

Current students who do not enroll for two consecutive semesters will return under the catalog requirements in force when they are readmitted.

Nondiscrimination Policy

Because of the historic commitment to Biblical principle ("There is neither Jew nor Greek, slave nor free, male nor female..." Galatians 3:28), Great Lakes Christian College has been, and remains, nondiscriminatory in all policies and programs. Great Lakes Christian College admits students of any race, color, and national or ethnic origin to all rights, privileges, programs, and activities generally made available to students at the College. It does not discriminate on the basis of gender, race, physical handicap, national or ethnic origin in administration of educational programs, admissions policies, scholarship and loan programs, employment practices, athletics, or other activities. The College actively seeks to fulfill federal, state, and local laws and regulations in all its practices and facilities. The facilities are designed to provide access for the physically handicapped.

The Campus

Great Lakes Christian College is strategically located west of Lansing, Michigan, the state capital, in Delta Township. The forty-seven-acre campus is at the corner of North Creyts Road and West Willow Highway. Within a short drive is one of the largest Big Ten schools, Michigan State University, with a library of three million volumes. Lansing is also the home of Cooley Law School, Lansing Community College, University of Phoenix, and Davenport University. Because Lansing is the state capital, there is easy access to the city by way of Amtrak, Capital City Airport, bus terminals, and interstate highways. Delta Township, where GLCC is located, is one of the fastest growing areas in Lansing. A large, recently

renovated, mall of over 100 stores and other major shopping areas and restaurants are within walking distance of the College and provide opportunities for employment. Yet with all these urban advantages, Great Lakes Christian College is located in a beautiful, residential area that surrounds the spacious forty-seven acre site. Lansing is an hour and a half from Detroit and its major airport and an hour from Grand Rapids, home of several of the major religious book publishers. Indeed, Great Lakes Christian College is strategically located for convenience and affords an opportunity for an excellent education.

The main entrance to the campus is at 6211 West Willow Highway. Immediately visible is a large complex, which includes the Ralph R. Woodard Hall and Memorial Hall. Woodard Hall houses the chapel, classrooms, and administrative offices. Memorial Hall houses the Louis M. Detro Memorial Library, the cafeteria, faculty offices, student mall, and music facilities including a rehearsal hall, practice rooms, and classrooms.

Section 2:

ADMISSIONS INFORMATION

Great Lakes Christian College seeks students who can succeed academically and spiritually in a Christian college environment. Applicants who expect to enter a degree program must have a diploma from an accredited high school with a minimum GPA of 2.25 on a 4.0 scale and a minimum score of 16 on the ACT or 820 on the SAT. A pattern of college preparatory studies is also recommended. A high school equivalency certificate issued by the respective State Department of Education is correspondingly acceptable, such as the General Educational Diploma (GED) with an average score of 55%. Official transcripts for all high school credits including at least seven semesters need to be sent directly from the educational institutions to the Office of Admissions.

All applicants under 23 years of age, or who have not been out of high school for more than five years, must take the American College Test (ACT) or the Scholastic Aptitude Test (SAT) and have scores forwarded to the Office of Admissions. Test results will be sent directly to Great Lakes Christian College when designated on the test registration (ACT code 2009 and SAT code 7320). A composite score of 16 on the ACT or a combined score of 820 on the SAT demonstrates probable academic success at Great Lakes Christian College.

In some cases, an applicant may be accepted conditionally if his or her scores or GPA are below the minimum standards. Applicants accepted and placed on probation will be required to demonstrate satisfactory academic progress. All transcripts and materials submitted while evaluating an applicant become the property of Great Lakes Christian College to be kept in the applicant's permanent file.

A minimum of three favorable recommendations are required. The Office of Admissions will send Reference Questionnaires to individuals listed on the Application for Admission. Relatives or individuals under the age of 21 may not be used as references. One reference should be from a person familiar with the applicant's spiritual maturity, such as a minister, church leader, or Bible teacher. A second reference should be from a person familiar with the applicant's work ethic in school or the workplace. A third reference should be from a person familiar with the applicant's family background.

Applicants with Bachelor's Degrees

Applicants who have already received a bachelor's degree from an accredited program may have the General Education Requirements waived as long as they have completed the following minimum requirements: communication arts (6 hrs.), math and science (6 hrs.), social sciences (6 hrs.), and humanities (6 hrs.). Any of these minimum requirements that have not been met can be completed at GLCC. General Electives will also be waived for applicants who are approved. Approved applicants must complete all of the requirements for the Bible/Theology Major, Professional Studies, and their selected major.

Graduation Rates

The federal government and accreditation agencies require the College to publish its most recent graduation and placement rates. The program completion rate is based on the percentage of first-time, full-time students who complete their program within 150% of the allotted time. Our most recent rate is 25.6%. Our most recent placement rate is 50%, which means that 50% of these graduates were hired in an area related to their undergraduate major or enrolled in a graduate program within a year of graduation.

Homeschooled Applicants

Admission requirements for applicants who have been homeschooled are the same as those for other applicants. They must submit a transcript of their high school courses that have been completed or are in progress. The transcript should include a course description, the grade received, and the signature of the person who prepared it. If the applicant does not already have a transcript, the Registrar can provide a form that can be used for this purpose. Also, they must submit their scores on the ACT or SAT to GLCC.

To be eligible for federal student aid, a homeschooled student must have a secondary school completion credential for home schools as provided for under state law. If the state does not require this credential, then the student must have completed a secondary school education in a homeschool setting that qualifies as an exemption from the compulsory attendance requirements under state law.

Early/Dual Enrollment for Home Schoolers

Homeschooled students are permitted to enroll at GLCC prior to the completion of their high school course of study, as are students attending public or private high schools. The following stipulations apply to these students:

1. The homeschooled student must be at least 16 years old.
2. The homeschooled student should be in his/her last two years of high school studies.
3. The homeschooled student can only enroll in 100-level courses. Exceptions can be granted by the Vice President of Academic Affairs. The following courses are automatically acceptable:

BT 135	Personal Spiritual Formation
CC 110	Speech Fundamentals
EN 130 / 131	Composition and Grammar 1 / 2
HI 140 / 141	Ancient Western Civilization 1 / 2
LI 140 / 141	Ancient Western Literature 1 / 2
MU 100	Introduction to Music
NT 110	Life of Christ
PY 150	Introduction Psychology
4. The homeschooled student must complete the regular admissions procedure required by GLCC for "limited enrollment."

International Students

In order to facilitate a successful educational experience for international students, GLCC has adopted the following additional requirements:

- ⇒ Those students whose native language is not English are required to demonstrate competency in English by achieving the following scores on the Test Of English as a Foreign Language (TOEFL):

Paper Based (PBT) ~ 550
Computer Based (CBT) ~ 210
Internet Based (iBT) ~ 79 overall with a minimum of 20 in writing
- ⇒ Letter of financial guarantee from a person or agency and a return ticket to one's country, or a guarantee of sufficient funds for a return trip.
- ⇒ Transcripts in English of all educational credits above the eighth grade level.
- ⇒ All admissions requirements must be submitted to the Office of Admissions at least four months prior to the expected date of enrollment.

Orientation

First-time college students must complete the College Success course (PY 100), which provides an orientation to college life. This course will assist students in making the transition from high school to college by discussing the skills and attitudes necessary for success in college. It will also introduce students to the mission, academic programs, and student life of GLCC. The course begins during Orientation. Students will also participate in other orientation activities such as social events that will begin the process of building relationships with faculty, staff, and students. Students will pay an orientation fee to cover their expenses.

Transfer students who have already taken a similar course somewhere else can transfer the credit for this course. They are encouraged to attend the three sessions that provide specific information about GLCC. Transfer students who have not taken such a course but have completed at least 32 hours and have at least a 2.5 GPA can have this requirement waived. The one hour of credit must be made up in General Electives.

Provisional Admissions

In some cases, students who apply late and cannot get transcripts and references in before registration may be accepted on a provisional basis. These students will be given two weeks for all information to be sent to the Office of Admissions. Any extension of this must be approved by the Office of Admissions.

Re-Admission

Former students not enrolled at Great Lakes Christian College for two or more semesters must submit an Application for Re-Admission to the Office of Admissions for approval at least thirty days prior to the beginning of a semester in which re-admission is requested. Re-admitted students will be under the catalog current at the time of re-admission. The Admissions Department will review each request and notify applicants of their status within 14 days of receiving the application.

Special Admissions

Special student status is granted to non-degree/part-time students at GLCC. Special students do not have to complete the entire admissions process but only need to complete a brief Non-Degree Student Form. Once a student has completed 12 hours of credit, they must then complete the full admissions process to continue further studies.

Students with Disabilities

Students with documented disabilities should identify themselves and discuss their necessitated accommodations with the Registrar, the Academic Mentor, the Dean of Student Affairs and the Instructor at the beginning of each semester.

Transfer Students

A college transfer student must request complete transcripts from each college or university previously attended. Official transcripts for all college credits need to be sent directly to the Office of Admissions. The Registrar will determine which courses are the equivalent of required courses at GLCC and thus eligible for transfer credit. Transfer students must complete at least 32 hours at Great Lakes Christian College to earn a bachelor's degree and 16 hours to earn an associate's degree. Students will not be admitted to GLCC if they have an outstanding bill at an institution previously attended.

Veterans

Great Lakes Christian College is approved for the education of active duty service personnel, veterans, and their dependents (widows, war orphans, etc.) Veterans should apply as early as possible to expedite handling of VA forms. Official acceptance for admission is required to qualify for educational benefits.

Section 3:

ACADEMIC INFORMATION

Great Lakes Christian College places major emphasis upon the study of the Bible and related subjects which will prepare students to be servant-leaders in the church and world. All academic programs are designed to accomplish that end.

Attaining the Bachelor of Science degree requires completion of the General Education Requirements, the Bible/Theology Major, one additional major (or a minor and 14 hours of Professional Studies), and electives. It is designed to be completed in four years.

The Associate of Arts degree is designed to be obtained in two years. A.A. programs classified as “Adult Learning Programs” are limited to applicants 25 years of age or older.

All degrees are awarded upon the satisfactory completion of the programs of study outlined in the following pages and upon the formal recommendation of the Faculty to the Board of Trustees of Great Lakes Christian College.

The College reserves the right to change requirements for enrollment in all programs and courses as necessary. Every reasonable effort will be made to provide alternatives for students affected.

Program Admission

Students desiring to enter a specific program major (other than the Bible/Theology Major) must submit a Declaration of Major form before reaching junior status. Graduation from a major program requires at least a 2.5 GPA in the courses that make up the major field of study.

Core Competencies

Core competencies are the attitudes and skills that every graduate should develop during a four-year program at GLCC. These qualities are necessary for success and excellence in any field of service. The General Education Requirements lay the foundation for the Core Competencies, and the majors strengthen and extend them.

1. **Information Literacy:** Graduates will be able to research, locate, accumulate, and evaluate information necessary to sustain lifelong learning.
2. **Critical Thinking:** Graduates will be able to apply reason and reflection (including quantitative analysis and scientific reasoning) to information, ideas, and arguments in order to solve problems and make decisions.
3. **Communication Skills:** Graduates will be able to organize and present their conclusions, ideas, opinions, feelings, and beliefs to others in both oral and written forms.
4. **Interpersonal Skills:** Graduates will be able to interact with other people one-to-one and in groups by applying skills in conversation, listening, conflict resolution, collaboration, and consensus-building.
5. **Respect for Cultural Diversity:** Graduates will be able to understand, analyze, and appreciate the historical development of the knowledge, traditions, literature, values, and beliefs of human cultures around the world.
6. **Resource Management:** Graduates will be able to manage resources of time, finances, individuals and groups, possessions, and the environment.
7. **Self-Understanding:** Graduates will be able to recognize, evaluate, and improve their weaknesses, strengths, gifts, and values.
8. **Christian Maturity:** Graduates will demonstrate Christian beliefs, values, conduct, and servant-leadership in their participation in the Christian community and engagement with the world.

Christian Education Major

If the Word of God is to be universally influential in life, that truth must be transmitted effectively. Students in the Christian Education Major are equipped for the discovery and transmission of truth in a congregational ministry. To this end, serious study of the theories of learning and practical field experiences guide the student. The Christian educator serves by assisting people in a lifelong journey of learning.

A Christian Education major is designed to equip the student for ministry in a Christian school or as a youth or education specialist in a congregation. Specifically, each student will be given instruction and experiences preparing them to:

- Develop a philosophy of education consistent with Scripture;
- Employ current research tools for discovery of truth as it applies to the contemporary church;
- Develop skills and various styles of teaching that are requisite for the discovery and transmission of truth;
- Analyze the needs and styles of learners of all ages, using Scripture and educational research;
- Construct curricula appropriate to the various learning settings and styles;
- Exhibit leadership skills in a variety of educational settings.

Family Life Education Major

Family Life Education is an interdisciplinary field of study that draws from various disciplines such as psychology, education, sociology, communications, law and public policy, economics, theology, and home management. It provides an understanding of human development, family systems, and interpersonal relationships. Graduates will be equipped to provide instruction and guidance to others in the subjects of marriage, parenting, family dynamics, and human relations. This program will also equip graduates to build healthy marriages and families in their own personal lives.

Certification as a Family Life Educator is provided by the National Council on Family Relations (www.ncfr.org). To qualify, applicants must have coursework in ten substance areas and two years of experience in the field. This major has been designed to fulfill those ten substance areas (Family in Society, Internal Dynamics of Families, Human Growth and Development, Human Sexuality, Interpersonal Relationships, Family Resource Management, Parent Education and Guidance, Family Law and Public Policy, Professional Ethics, and Family Life Education Methodology). The College has applied to become an approved program by the NCFR, which will streamline the application process for certification.

Family life educators find employment in a wide variety of settings: family ministries in churches, family service agencies, foster care, food stamp programs, Meals-on-Wheels, nursing homes, hospitals, day care centers, community mental health centers, public health clinics, group homes, senior centers, government agencies, parks and recreation departments, educational institutions, and department of corrections.

Graduates who complete the Family Life Education Major will be able to:

- Understand concepts and principles of healthy marriages and families;
- Articulate their own attitudes and values about family issues;
- Develop and implement programs of instruction and guidance that will build and equip healthy families;
- Analyze and assess global and local needs of today's families;
- Exercise interpersonal and professional skills that contribute to a positive family environment.

History Major

The **History Major** is primarily intended for those students planning careers in fields such as education, law, journalism, and government. It is also useful as a background for seminary studies, home or foreign mission work, archaeology, and home schooling. Furthermore, it can facilitate research work in historical societies, museums, libraries, and criminal justice. Beyond providing a framework for the understanding, interpretation, and evaluation of the occasions and efforts by humankind throughout history, this Major also provides a historical context for events and people related to the Bible and the church. In addition, it intentionally seeks to participate in “character building,” the effort to help a student mold his or her attitudes and values within the principles of the Christian faith. In conjunction with the institutional and general education goals of the College, students graduating with a History Major will be able to:

- Demonstrate a basic knowledge of the facts (events, people, places, dates) and flow (connections, influences, lessons, etc.) of history;
- Distinguish between established truths and mere opinions;
- Critically evaluate various situations, dilemmas, and viewpoints or interpretations;
- Display the ethical lessons of history that are consistent with Biblical Christian morality in his or her personal lifestyle, conduct, and relationships with others;
- Produce written research of a quality commensurate with that of respected publications in the field.

The **Public Policy Track** is an option within the History Major for those students who are planning a career in government, public service, or law.

Interpersonal and Organizational Communication Major

Programs in interpersonal and organizational communication allow students to build strong communication skills, which they need for successful careers and relationships. The Interpersonal and Organizational Communication Major at Great Lakes Christian College seeks to establish basic and specialized skills and attitudes necessary for the work of being a servant-leader in the church and world.

The wide range of IOC courses offers students a strong and diverse background in communication skills, research, and theory. Students will find that courses such as Public Speaking, Small Group Communication, Interpersonal Communication, and Communication in Research will help them build a solid communication foundation for developing their skills. Courses in areas such as Conflict Management, Gender Communication, Communication in Change, Communication in Leadership, Organizational Communication and Persuasion will help students prepare for a range of communication experiences that will be encountered in their personal and public lives and will help them in developing others in their leadership roles. Graduates from GLCC's IOC program will be introduced to the field of Communication and will be able to pursue specialized training in Graduate School in the specialization of their choosing. Graduates of programs like this one have been employed in a variety of fields, including the following: business (operations manager, chief financial officer, marketing specialist, media planner, public relations specialist, customer service representative), education (school counselor, college admissions adviser), human services (family service supervisor), sales (account executive, sales analyst, and claims representative), training and development (management trainer, recruiter), and ministry (minister of membership, minister of assimilation, and office manager).

Graduates completing the Interpersonal and Organizational Communication Major will be able to:

- Name and explain theoretical concepts central to the discipline, including those applicable to interpersonal, public, and organizational communications contexts and recognize the communication behaviors that reflect those concepts.
- Assess the ethical implications of a given communication behavior in a given context.
- Evaluate message strategies in interpersonal, public and organizational contexts.
- Exhibit competence in interpersonal and public communication skills.
- Select and apply communications strategies to establish mutually rewarding social and professional relationships.

Music Major and Minor

The Music Department seeks to encourage the student to cultivate musical skills and talent. Students are given opportunities to understand, appreciate, and utilize a variety of musical forms in several different contexts – worship, public performance, and private enjoyment.

The Music Major Program is designed to equip students in music worship ministry areas for the local church, to give them experience in performance, to help them gain expertise in their primary instrument (voice, guitar or piano), and to provide a foundation for further music study.

Graduates who complete the Music Major will be prepared to:

- Organize and direct music and/or worship ministry in the church.
- Demonstrate proficiency in an area of performance or worship.
- Exhibit competency in the areas of music theory, music history, and conducting.
- Display leadership skills in developing musical talent and skills in the lives of others.

ENTRANCE AUDITION

Students intending to major or minor in music must demonstrate musical potential by successfully completing an entrance audition before the music faculty. Entrance auditions are held during Freshman Orientation (or arranged by permission from the music faculty). During the audition, students must perform three pieces that demonstrate their musical ability in their selected primary instrument (voice, piano, or guitar). One piece must be memorized. Contrasting styles of music are preferred.

NOTE: Passing the entrance audition simply verifies that the student has potential to be a music major. The music student must successfully complete the sophomore jury examination (a score of 100 or higher out of a possible 130 points) in order to be confirmed as a music major and complete the program.

APPLIED STUDIES

Music majors may choose one or two tracks

- **Performance Track** – emphasis on one primary instrument (voice or piano); follows a classical approach to music study; 30-minute Junior recital, 60-minute Senior recital.
- **Worship Track** – emphasis on proficiency in three areas (voice, keyboard and guitar); follows a practical ministry approach to music study; while studying all three instruments, the student should be highly skillful in at least one instrument with potential to develop a second instrument to an intermediate level; 30-minute Junior worship recital, 60-minute Senior worship recital.

Music Majors – 7 credits of applied studies (Performance Track); 6 credits (Worship Track)

- **Performance Track**
 - Students must select a primary applied instrument (voice or piano) and accumulate a minimum of 6 credits.
 - It is recommended and generally expected that students will take one credit of applied primary instrument every semester until completion of their recital requirements.
 - In addition, students will take one applied credit in a secondary instrument.
- **Worship Track**
 - Students must select a primary and secondary applied instrument (voice, piano, or guitar) as well as taking at least one credit in the third semester, to accumulate a minimum of six credits.
 - It is recommended and generally expected that students will take two credits each in voice, piano, or guitar and then focus on their primary instrument until completion of their recital requirements.
- **All Music Majors**
 - In addition to the applied credits, the student must participate in one performance group (choir, ensembles, Madrigals, or instrumental ensemble) each semester and accumulate a minimum of two credit hours.
 - (Exceptions may be made for non-vocal students if no instrumental ensembles are available; must have permission of music faculty.)

Music Minors – 4 credits of applied studies (Worship Track)

- A Music Minor must select a primary instrument (voice, piano, or guitar) and a secondary instrument and accumulate four applied credits. (It is recommended that students study each of the three instruments and then focus on their primary instrument until completion of their recital requirements.)
- In addition to the applied credits, a Music Minor must participate in a performance group (choir, ensembles, Madrigals, or instrumental ensemble) for two semesters and accumulate two credit hours.

RECITAL REQUIREMENTS

Music majors in the performance track must complete an individual sixty-minute senior recital. To prepare for this, they are encouraged to also complete a thirty-minute junior recital. Music minors must complete a thirty-minute senior recital. A student may be advised to take additional applied hours during recital preparation. Music majors in the worship track must complete a sixty-minute musical worship event.

JURY EXAMINATIONS

All applied students go through a jury exam process at the end of each semester of study. A jury exam is similar to a final exam, except that the student demonstrates what he/she has learned by performing from his/her list of repertoire accumulated over the semester.

A student interested in majoring in music is given four semesters of study to develop his/her instrument toward proficiency standards. At the end of four semesters of study, the student must successfully complete the sophomore jury examination in order to continue study as a music major. (A jury form is used with a point system to determine this. A “progress report” is given by the third semester of study to help the student set goals to be successful.)

Performance Track students must demonstrate a high level of proficiency in their primary instrument and the potential ability to perform a senior recital.

Worship Track students must demonstrate a high level of proficiency in their primary instrument and progress on their secondary instrument with the potential ability to perform a senior worship recital.

Psychology / Counseling Major

Churches and para-church organizations increasingly turn to Christian counselors for assistance in meeting the needs of employees, members, and clients. Counseling in a Christian context can make a significant contribution to improving the life experience of individual Christians and to developing a healthier society. This degree does not lead to credentialing in Counseling, which almost always requires a graduate degree.

Graduates who complete the Psychology/Counseling Major will be able to:

- Demonstrate a detailed knowledge of psychological terminology;
- Access and evaluate available community resources that may be helpful (e.g. professional counselors, health practitioners, support groups);
- Provide counseling on a non-professional basis within one's own church setting;
- Comprehend and participate in research studies in psychology;
- Demonstrate skills in selecting and using Scripture in the counseling process.

Youth Ministry Major

Children and adolescents comprise unique subcultures in our society to which the church must minister. The Youth Ministry Major will prepare students to minister to children and adolescents in both the church and world. To accomplish this goal, the student will participate in academic courses, practical courses, and field experiences, as well as a seminar presented by leading youth ministers from the field.

Graduates who complete the Youth Ministry Major will be able to:

- Develop a theological, psychological, and pastoral approach to working with children and youth;
- Present Scripture in a relevant manner for children and youth;
- Function effectively at an entry level in multi-staff churches or other ministries;
- Adequately lead and manage a ministry to youth and/or children in the local church;
- Develop worship and educational programs for children and youth;
- Serve in parachurch ministries related to children and youth, e.g. church camps.

MINORS:

Students may substitute a minor and 14 hours of Professional Studies courses for the additional major. The regular courses for General Education, Bible/Theology, and Professional Studies will remain the same. They may also take the required courses for a minor in addition to their major. This procedure would provide them with qualifications in an additional field of study. If a student has already taken a required course in the minor to fulfill a requirement for the major, then an elective in the minor's field of study may be taken to replace it. If no electives are available, then the student may take another professional studies course in its place. To receive the minor in addition to a major, a student must take the number of hours required by that minor in addition to the number of hours required for the major degree program.

GENERAL EDUCATION REQUIREMENTS	46 Hours
BIBLE/THEOLOGY MAJOR REQUIREMENTS	39 Hours*
PROFESSIONAL STUDIES REQUIREMENTS	5 Hours

*Music Minors are not required to take 5 hours of Bible / Theology Electives.
Therefore, they are required to take only 34 hours of Bible / Theology.

Education Minor

This minor is offered to assist students planning on a teaching career in public or private schools. Although GLCC is not authorized to grant teacher certification, the College has a cooperative program with Spring Arbor University that leads to certification in Elementary Education and takes place on our campus. If a student does not wish to pursue the Spring Arbor degree, every effort will be made to correlate the courses in this minor for transfer to another college or university that has programs leading to certification.

This minor may also be selected by those students wishing to enhance their understanding of educational principles when working in instructional situations such as Sunday Schools, Vacation Bible Schools, home schooling, day schools, and mission schools.

The student who completes the Education Minor will be able to:

- Develop a philosophy of education consistent with Scripture;
- Explain the fundamentals of human growth and development and design teaching strategies which incorporate such knowledge;
- Pursue further studies in the field.

COOPERATIVE PROGRAMS:

Although Great Lakes Christian College exists primarily to prepare servant-leaders for the church, it also seeks to provide Christian leadership to the world.

For those who decide to serve Christ in non-church related careers, GLCC will:

- Provide an educational foundation from a distinctly Christian perspective;
- Provide an enhanced understanding of the Bible; and
- Prepare students for professional vocations.

Spring Arbor University Cooperative Program (Elementary Education)

Spring Arbor University's Lansing Office offers an accredited Bachelor's degree in Elementary Education on GLCC's campus. Students take the relevant GLCC classes and transfer them into Spring Arbor's program. Classes not offered by GLCC are offered by Spring Arbor faculty on our campus. Elementary Education students either minor in both Social Studies and Language Arts or major in one of those areas. Other majors must be completed at the Spring Arbor main campus.

Spring Arbor's program is approved by the Michigan Department of Education for certification in Michigan. This program has further accreditation by the National Council for Accreditation of Teacher Education (NCATE). This accreditation is more readily recognized as certification or licensure in any state.

University of Phoenix Articulation Agreement

Great Lakes Christian College and the University of Phoenix have a formal articulation agreement that facilitates the transfer of students who have received an associate's degree from GLCC into a baccalaureate program at the University of Phoenix. The agreement allows for maximum transfer of credit and a seamless transition for students earning an associate's degree. A maximum of 57-72 transfer credits will apply to the baccalaureate program. Additional general education credits may be needed to fulfill the program requirements at the University of Phoenix. Students transferring without an earned associate degree can transfer a maximum of 57-72 credits for courses earned with a grade of C- or better. If a student enrolls in the Bachelor of Science in Management program, the associate degree focus will be listed as an area of emphasis on the baccalaureate degree and the University of Phoenix diploma.

The Lansing campus of the University of Phoenix is located on Lake Lansing Road. Other baccalaureate programs offered by University of Phoenix and available for GLCC transfer students are Business/Administration, Business/Accounting, Business/e-Business, Business/Management, Business/Marketing, Criminal Justice Administration, Health Care Services, Human Services, Information Technology, and Management.

Course Descriptions

BT 100 Introduction to Biblical Interpretation

1 Hour

An introduction to basic principles of biblical interpretation and secondary resources that aid in the study of the Bible.

BT 135 Personal Spiritual Formation

2 Hours

A study of basic concepts, methods, and materials for use in personal spiritual formation.

BT 300 Basic Apologetics

2 Hours

A survey and analysis of current and historical evidences for the validity of the Bible and Christian belief.

BT 310 Christian Theology 1

4 Hours

Prerequisites: NT 225; OT 211

The first semester of a two-semester, advanced course that considers key Biblical doctrines and the discussions generated by those doctrines in the history of the church. The course integrates systematic and historical theology by looking first at the Biblical foundations for Christian teachings and then at how the particular circumstances of the church have affected how those teachings were understood and appropriated in the life of the Church.

BT 311 Christian Theology 2

4 Hours

Prerequisite: BT 310

The second semester of a two-semester, advanced course that considers key Biblical doctrines and the discussions generated by those doctrines in the history of the church. The course integrates systematic and historical theology by looking first at the Biblical foundations for Christian teachings and then at how the particular circumstances of the church have affected how those teachings were understood and appropriated in the life of the Church.

BT 350 Scripture and Christian Living

3 Hours

This class examines how Christians may live in the contemporary world as people shaped by Scripture. Today Christians find themselves torn between competing “worlds.” On the one hand, we are born or move into diverse cultures shaped variously by personal whim, majority consensus, and the powers-that-be. We are baptized, on the other hand, into a people who live by a different standard – the reign of God. In this class we use the compass of Scripture to help navigate the world of competing allegiances while faithfully bearing witness to God’s reign.

BT 410 Cults and the Occult

3 Hours

An advanced seminar on the primary Christian cults and various occult phenomena. Their history, theology, and practice will be analyzed with special emphasis on their departure from the historic Christian faith.

BT 420 Islamic Theology

3 Hours

An advanced seminar on the study of the Islamic faith and theology. The teachings of the Qur’an and Hadiths are compared and contrasted with Christian theology.

BT 430 Ecclesiology

3 Hours

Prerequisite: Instructor approval

An advanced seminar that focuses on what the mission of the church is according to Scripture, how that mission informs our understanding of the church’s nature, and how the church’s nature informs every aspect of the church’s life.

BT 490 Special Studies in Bible/Theology

BT 491

BT 492

BT 493

REL 380 World Religions

3 Hours

A comparative survey of the major world belief systems with a special focus on the evangelism of individuals belonging to other faiths. A field trip will be required.

SC 130 General Biology

3 Hours

Must be taken concurrently with SC 131.

A survey of cellular theory and biological processes found in living organisms along with a study of the general human body and field identification of flora and fauna. Ecological topics will also be explored.

SC 131 General Biology Laboratory

1 Hour

Must be taken concurrently with SC 130.

An application and demonstration of concepts covered in SC 130.

SC 200 Biological Foundations of Nutrition

2 Hours

This course examines the biological basis of health, human nutrition, and body fitness. This

course is designed to blend the science of nutrition, health, and body fitness with the science of human biology. As such, it is a very practical class that describes how diet, exercise, and environmental factors impact the human body. Class topics include lifespan nutrition, roles of major nutrients and their function, diet composition, nutritional recommendations and clinical use, micro-nutrients and metabolic processes, biochemistry individuality in nutrition, impact of food on body and mind (including its relationship to stress reduction, cardiovascular health, and weight reduction), conventional and alternative medicine practices, a fitness/physiology requirement, and other biological/health topics.

SC 210 Science by Inquiry

4 Hours

This course will survey life science, physical science, and earth/space science. Students will learn science concepts through inquiry-based activities as well as traditional methods. Students will become familiar with the use of the metric system and common scientific instruments and technology.

SO 270 Sociology

3 Hours

An introductory study of the structure and functions of society with special attention placed on social agencies, the effect of education, and the role of the family.

An in-depth survey of the history of worship from ancient times to the present, with emphasis on forms and styles of worship and the cultural and philosophical/theological ideas reflected. Also includes analysis of historical worship practices and their impact on 21st century worship forms.

WM 300 Contemporary Issues for
Worship
2 Hours

Prerequisites: CM 200, CM 201, or consent of instructor

Taught in a format of 3-weekend seminars, (2+2+2), this course delves into issues related to audio, visual, and computer technology used in worship, issues related to rehearsing worship teams and worship bands, and other practical issues related to worship ministry in the 21st century.

WM 350 Designing and
Leading Worship
3 Hours

Prerequisites: CM 200, CM 201, MU 350, or consent of instructor

An in-depth consideration of forms and styles of planning and leading worship. Includes a weekly worship lab, with demonstrations and critiques.

YM 410 Youth Ministry Seminar
2 Hours

Prerequisite: CE 320

A seminar during which students will examine the practical elements of youth ministry through the involvement of a professional youth minister. Critique and development of youth ministry philosophies will be used to develop more effective ministries.

YM 495 Youth Ministry Internship
3 Hours

Prerequisite: CM 201

A practicum occurring near the end of Youth Ministry studies in which the student works with a full-time youth minister in a congregational setting as an observer/participant using skills and knowledge gained in the classroom. The study will culminate with a definitive folio of his or her experience.

Section 5:

ACADEMIC RESOURCES

Library Resources

The mission of the Louis M. Detro Memorial Library is to support Great Lakes Christian College in its goal of preparing students to be servant-leaders in the church and world by facilitating the teaching, research, and lifelong learning of its students, faculty, alumni and area congregations and by assessing, anticipating, and providing essential resources, services, and instruction. To support this mission, the library maintains a book collection of over 60,000 volumes. Print subscriptions to periodicals currently number 141 titles. The Library also has a collection of 959 sound recordings, 843 film and video materials, and 945 microforms. All these materials can be searched using our online catalog located on the Library's website at <http://library.glcc.edu>.

The Library has access to 42 online computer databases as well as 11 locally-owned databases in order to access periodicals, encyclopedias, dictionaries, full-text books and other references resources. With these databases, patrons of the Library have access to 8,942 full-text periodical titles. A list of these databases and the resources available in each of them can be found under the "Find Online Journal Articles and Books" link on the Library's website. The Library maintains 6 computer workstations in the main lobby of the Library as well as 16 computer workstations in the adjacent Technology Center for patrons to be able to access these databases. Wired and wireless Internet access is also available throughout the Administration Building and dorm rooms for patrons to access these databases on their personal computers, and these databases can also be accessed off campus using the "Off-Campus Database Access" link on the Library's website.

The Library participates in the state-wide MichiCard system, which allows patrons of our Library to have access to and be able to check out books from over 300 other participating public and academic libraries throughout the State of Michigan including all the local public libraries in the Lansing area, Lansing Community College, and Michigan State University.

The Library can also obtain books and journal articles from thousands of libraries across the United States and Canada using the OCLC Interlibrary Loan System. Through this system last year, the Library provided 347 materials to other libraries and received 788 materials on loan from these libraries. Interlibrary loan requests can be made directly through any of the FirstSearch databases, from the Interlibrary Loan Form on the Library's website, or in person at the circulation desk.

The Library's hours and policies can be found on the Library's website. The Library can be reached by telephone at (517) 321-0242 ext. 237 or by email at library@glcc.edu.

Additional Academic Resources

The music program has practice rooms which are solely used for that purpose, as well as two classrooms that support music instruction. GLCC also has a science laboratory designed to support Biology and Science by Inquiry. Every regular classroom has both Internet access (both wired and wireless) and either a TV/VCR or projection units.

Student Support Services

The academic advising, counseling services, and health services provided or references are made available by GLCC are explained in Section 7: Student Services. Career counseling and placement are currently done through the academic advisers and the Dean of Student Affairs' Office. For those students in a cooperative program, career counseling and placement are provided through the other institution, e.g. University of Phoenix for business students and Spring Arbor University for students in elementary education.

Section 6:

ACADEMIC POLICIES

Advising

Academic advising is an essential component of higher education; therefore, GLCC is committed to providing the individual advice and assistance that students need at every step throughout their program. Students are assigned an Academic Advisor who will assist them in constructing course schedules that meet their needs and fulfill the requirements of the major.

Students are responsible for scheduling, preparing for, and keeping advising appointments; seeking out contacts and information; and know the basic requirements of their individual degree programs. Students bear the final responsibility for making their own decisions based on the best information and advice available and, ultimately, on their own judgment. Therefore, they should become knowledgeable about the policies, procedures, and rules of the College and its academic programs.

Advisers will assist students in developing a thorough knowledge of the institution, the structure of the curriculum (e.g., course progressions and prerequisites), and the requirements of their particular major. They are available to students on a regular basis, monitor their advisees' progress, assist students in considering career and curriculum options, and make appropriate referrals to other campus offices.

Academic Forgiveness

Anyone who previously attended GLCC but has not been enrolled for at least two semesters may submit a written petition to the Academic Standing Committee for academic forgiveness. The petition should state the reasons for the request and offer evidence that indicates academic success in the future. If approved, previous courses will remain on the student's transcripts but their grades will not be included in the cumulative GPA. No more than two semesters may receive academic forgiveness, and all the courses in those semesters will be excluded from the GPA. The student's transcript will note that academic forgiveness was applied to those semesters. The student must maintain a GPA of 2.5 or higher on the first 15 credit hours subsequent to reenrollment to receive this benefit.

Attendance

Instructors at GLCC develop an attendance policy for each class based on the four criteria described below. The VPAA reviews each instructor's policy to ensure that it fulfills these four criteria.

1. An effective attendance policy promotes class attendance.

Since students learn through engagement and involvement in class instruction and discussion, an attendance policy supports and promotes student learning. Also, it encourages students to fulfill their responsibilities of contributing to the learning process of other students in the class. It also encourages good stewardship among students by ensuring that they receive the benefits for which they have sacrificed their finances and time. It will promote the development of personal discipline and responsibility.

2. An effective attendance policy sets clear expectations for class participation.

An attendance policy should be simple and understandable. It should not be open to interpretation.

3. An effective attendance policy is fair and equitable.

An attendance policy should recognize that students have responsibilities and needs that sometimes compete and conflict with their academic responsibilities. Therefore, it should allow opportunity for students to address those other concerns to a reasonable degree. An attendance policy should also be applied consistently for all students.

4. An effective attendance policy provides flexibility for its application by instructors.

Although an attendance policy sets the parameters for student attendance, it should allow each instructor the opportunity to determine specific details of its application. Instructors may differ in their views of the importance and necessity of class attendance, so they may implement the attendance policy in a way that reflects their particular values. For example, instructors may differ in how much attendance should affect students' grades, whether to allow unexcused absences, and how many classes can be missed before a student automatically fails.

Chapel

Chapel is viewed as an important part of the process of spiritual formation at GLCC. To encourage students to attend, they receive .5 credits for a grade of "satisfactory" in Chapel. "Unsatisfactory" grades are also recorded on the student's transcript. Chapel is regularly scheduled on Tuesday and Thursday and on occasion, on Wednesday (e.g. Missions Emphasis Week, Lectureship, etc.). The Dean of Student Affairs may excuse Chapel attendance.

Students desiring to have Chapel attendance waived must petition in writing at the beginning of the semester to the Dean of Student Affairs stating the reason(s) for their proposed absence from Chapel. The student will receive a written response from the Dean of Student Affairs regarding the acceptance or denial of the petition. Approval for excusing a student from Chapel attendance is granted only by the Dean of Student Affairs and is official only when it is in writing.

If a student misses more than eight Chapel sessions, he or she will receive an "unsatisfactory" Chapel grade for the semester.

Classification

Students enrolled in regular degree and certificate programs at Great Lakes Christian College are classified according to the number of credit hours earned:

Freshmen	0 – 31 semester hours
Sophomores	32 – 63 semester hours
Juniors	64 – 95 semester hours
Seniors	96 + semester hours

There are four additional classifications of students at Great Lakes Christian College:

Special	A student taking classes for credit but not pursuing a degree.
Adult Learner	A student over twenty-five years of age and enrolled in the Adult Learning Program.
Audit	A student enrolled for informational instruction only, not receiving college credit.

Course Cancellation

Courses may be cancelled due to insufficient enrollment. A minimum of four students in a course taught by full-time faculty or five students in an adjunct faculty member's course is required. Required courses with fewer students than these minimums will normally be offered. Students will be permitted to amend their schedules within two weeks of the cancellation with no fees or fines.

Credit by Exam and Advanced Placement Policy

Students may choose to accelerate their college career in one of two ways provided by the College Board: Advanced Placement (AP) and College Level Examination Program (CLEP). AP credit must be received before entering college. CLEP credit must be received before the end of the first semester of the senior year. Up to 32 hours of credit for a bachelor's degree or up to 16 hours of credit for an associate's degree may be earned through these programs. The results of these tests should be forwarded to the registrar's office.

Advanced Placement (AP)

The Advanced Placement Program of the College Board is implemented by high schools throughout the nation. For more information, visit <http://www.collegeboard.com/student/testing/ap/about.html>. The college follows the recommendation of the American Council on Education that a score of 3 on an AP test will earn credit for the corresponding course at the college (see list below). Other AP tests that do not correspond directly to a course at GLCC can be counted as three hours toward general electives. A grade of "P" will be given for the course, and it will not be calculated in the student's GPA. Credits earned through AP testing will be charged a processing fee of \$30.00 for each test recorded. AP credit already awarded by another institution will not be subject to the processing fee.

The College Level Examination Program of the College Board provides computer-mediated tests in certain subject areas that may be taken at designated testing centers. For locations of testing centers, visit <http://www.collegeboard.com/student/testing/clep/about.html>. The college follows the recommendation of the American Council on Education that a score of 50 on a CLEP test will earn credit for the corresponding course at the college (see list below). Other CLEP exams that do not correspond directly to a course at GLCC can be credited as three hours toward general electives. Final Exams

Final exams are scheduled during the last week of each semester. The student must make arrangements for missing an exam prior to the scheduled exam time. Students may request a change in the exam schedule if three or more exams are scheduled for the same day.

Grades

Each student's cumulative grade point average (GPA) will be computed at the end of each semester. A report of the student's grades, permanent record of the student's courses, credits, and grades are stored in the Registrar's Office. The following grading system is used:

Grade Point	Numerical Value	Description
4.0	100 – 97	Excellent
3.7	96 – 94

AU		Audit

* Incomplete When a student is unable to complete the required work for a course by the last day of the semester because of some unavoidable circumstance (such as serious illness or death in the family), the student may request a 30-day extension to complete the work.

** Deferred When a student is unable to complete the required work for an independent study, special study, research, or an internship during the term of registration, the student may request a maximum 90-day extension to complete the work.

To receive either an IN or DF, a student must obtain the appropriate form from the Registrar's Office, have it signed by the instructor, pay the \$20.00 fee to the Business Office, and return it to the Registrar's Office prior to the beginning of final exams. The student then has the allowable days to complete the work. At the end of the allowable time, the instructor is required to submit the grade as it stands at that time to the Registrar's Office. If no grade is submitted, the Registrar will assign a 0.0 for the course.

Graduation

Students intending to graduate from GLCC with either an Associate's or Bachelor's degree must meet the following requirements:

1. Attain a minimum 2.0 GPA upon graduation;
2. Attain a minimum 2.5 GPA in one's professional major/minor;
3. Successfully complete a minimum of 64 semester hours for AA or 130 semester hours for a BS;
4. Successfully complete the courses required in the General Education Requirements, Bible/Theology Major, General Electives, and one of the following two options:
 - a. A major, i.e., Christian Ministries, Christian Education, Cross-Cultural Ministries, Family Life Education, History, Interpersonal and Organizational Communication, Psychology/Counseling, Music, Youth Ministry;
 - b. A minor and 14 hours of professional studies;
5. Satisfactorily fulfill the Outreach Ministries requirement;
6. Take required exit evaluations.

Commencement ceremonies are held in May of each year. For students who complete their graduation requirements after the date of Commencement, the College can provide a diploma with a date of August 31 or December 31. Those students will be encouraged to participate in Commencement the following May. Students who have not fully completed all of their graduation requirements will not be permitted to participate in Commencement.

Transfer of Credit and Graduation:

For transfer students, a minimum of 32 semester hours of credit for the BS, or 16 semester hours of credit for the AA or ARE (25%) must be taken from GLCC to graduate.

At least half of the required hours for a major or minor must be completed at GLCC.

Exit Examinations and Graduation:

To participate in graduation, seniors are required to take exit examinations, but they do not affect one's grades or class standing.

Grievance Policy

The first step in the grievance procedure is communication between the student and the faculty member. In the event that the student and faculty member cannot reach a resolution on their own, the Vice President of Academic Affairs will arbitrate the dispute between the parties. If the student-faculty grievance directly involves the Vice President of Academic Affairs, a committee of no less than two faculty members will be appointed to serve as a Grievance Committee.

The student should first of all attempt to settle any classroom problems directly with the instructor involved. If he or she is not able to reach a satisfactory solution, he or she may appeal in writing to the Vice President of Academic Affairs. In the event he or she is not satisfied with the decision, the student may appeal to the President of the College. The decision of the President shall be final.

Honors

In order to encourage academic excellence, the College has provided for the recognition of scholastic achievement in the following ways:

DEAN'S LIST

At the end of each semester a list of the full-time students (12 hours or more) who have a semester grade point average of 3.5 or above will be posted.

DELTA EPSILON CHI

The purpose of Delta Epsilon Chi Honor Society, the honor society of the Association for Biblical Higher Education, is to encourage and honor outstanding academic scholarship, approved Christian character, and Christian leadership ability among the member schools of the ABHE. Persons eligible for membership must maintain an average grade of at least 3.3 in the 4-point system or its equivalent and demonstrate Christian character and leadership ability. Not more than 7% of the graduating class may be elected to membership. Election to membership is made by the executive committee of Delta Epsilon Chi upon recommendation of the faculty. Membership in the society is open to all graduates of all colleges of the Association for Biblical Higher Education.

SIGMA DELTA DELTA

The purpose of Sigma Delta Delta, the honor society of Great Lakes Christian College, is to encourage and honor academic excellence in those pursuing a life of ministry. Persons eligible for membership are seniors graduating with honors from GLCC. Election to membership is upon recommendation of the faculty and the approval of the Board of Trustees.

ZONDERVAN GREEK AWARD

Zondervan Publishing provides an annual award for the outstanding student in Greek. The recipient is selected by the Bible/Theology faculty upon the recommendation of the Greek instructors. The award includes a free Zondervan product, a commemorative item, and the student's name engraved on a perpetual plaque located in the College Library.

ZONDERVAN HEBREW AWARD

Zondervan Publishing provides an annual award for the outstanding student in Hebrew. The recipient is selected by the Bible/Theology faculty upon the recommendation of the Hebrew instructors. The award includes a free Zondervan product, a commemorative item, and the student's name engraved on a perpetual plaque located in the College Library.

GRADUATION HONORS

Students who have achieved academic excellence will be given the following honors upon granting of the Bachelor's degree:

3.3	cum laude
3.5	magna cum laude
3.8	summa cum laude

Each graduating class of baccalaureate students will have a valedictorian and salutatorian, provided the students with the highest GPAs have at least achieved *cum laude*. Transfer students must complete a minimum of 72 semester hours at GLCC for valedictorian or salutatorian eligibility.

Honors Chapel

Honors Chapel is held during the last Chapel session of the College year. Special recognition is given for achievement in academics.

Independent Studies

Independent Studies are designed for junior or senior students to provide an opportunity to take required classes that they are unable to take as regularly scheduled because of scheduling conflicts caused by the College. To take an Independent Study, the student must, at least one week prior to the start of the semester, obtain a Non-Classroom Instruction Form from the Registrar's Office, complete the student portion, have the instructor complete the requirements, and have it approved by the Vice President of Academic Affairs.

Major – Minor Declaration

All students studying for a Bachelor's degree must select a major or a minor and file a Major-Minor Declaration form with the Registrar's Office prior to enrollment as a junior. It is to the student's advantage to return the form to the Registrar's Office as early as possible.

Students must fulfill the requirements (General Education, Bible/Theology, Major, and Electives) as stated in the catalog for the year in which the student first entered GLCC. Students who do not enroll for two consecutive semesters re-enter under the current catalog.

Mid-Semester Reports

Mid-semester reports of current grade status are issued by the middle of the eighth week of the semester to those students whose work is at the 1.7 level or lower. This report is intended to be a warning to students, that if their work does not improve, they will receive a less-than-average grade.

Military Leave Policy

Students who are called up for active military duty during the semester will have three options for receiving academic credit and refunds. First, students may choose to receive a WI ("withdrew before deadline") for the course. Second, if a student is called up near the end of the semester, he or she can request an "incomplete" for a course and complete the requirements at a later time. This option is subject to the approval of the instructor. Third, students may receive partial credit for the course. For example, a student who has completed five weeks of a course may receive one hour of credit for a three-hour course. The remaining portion of the course could be completed at a later time either through independent study or by participating in the remaining portion of the course. The amount of credit awarded will be determined by the Vice President of Academic Affairs.

With the first option, students can receive a full refund of tuition and a pro-rated refund of room and board. With the second option, students will receive only a pro-rated refund of room and board. With the third option, students can receive a pro-rated refund of room and board and a refund of the tuition for that portion of the course for which no credit is awarded. With any option, they can also choose to leave the funds on their account if they plan to return to the college.

Outreach Ministries

Great Lakes Christian College views Outreach Ministries as a vital part of the mission of preparing servant-leaders for the church and world. Students serve in a variety of capacities in churches, parachurch organizations, and in the community on a regular basis. For a "Satisfactory" grade, each full-time student must serve a minimum of 15 hours during the semester and receive a satisfactory evaluation from the Director of Outreach Ministries and a field observer. As a member of the Association for Biblical Higher Education, Great Lakes requires that all full-time students receive a "Satisfactory" grade for 75% of their semesters at GLCC. Guidance is provided by the Outreach Ministries Director and academic advisers concerning the selection of specific outreach ministries of the student's choosing. Detailed information concerning the program is provided in the Outreach Ministries Handbook.

An "Outreach Ministries" award in the form of a \$200.00 grant is awarded annually in the Spring Semester to a freshman who has proved to be exemplary in their service during their freshman year. This grant is sponsored by the Duplain Church of Christ, St. Johns, Michigan.

Probation & Suspension, Academic

Semester Warning

Students failing to achieve a 2.0 GPA in one semester, but whose overall GPA is still above a 2.0, will be placed on semester warning. This status **does not** affect the student's academic, social, or athletic eligibility. It **does** serve as a warning, urging the student to improve his or her academic standing.

Academic Probation

- *Probation 1* - Students failing to achieve an **overall GPA of 2.0** and applicants whose credentials indicate a likelihood of difficulty in performing at a college level will be placed on Probation 1.
- *Probation 2* - After **one semester** on Probation 1, if the student's GPA still falls below a 2.0, the student will be placed on Probation 2.
- *Committee Referral*
 - *Academic Suspension* - If the student fails to raise his/her cumulative GPA to 2.0 or higher after one semester on Probation 2, the Academic Standing Committee may choose to place the student on Academic Suspension.
 - *Extended Probation* - However, instead of suspension, the Academic Standing Committee may choose to extend probation if the student has made significant progress.

(Probation 1, Probation 2, Extended Probation, Academic Suspension, and Probation Removal will be noted permanently on the student's official transcripts.)

A probationary student can take a maximum of **13.5 semester credits** and is **not** permitted to participate in extra-curricular activities without the special permission of the Vice President of Academic Affairs (VPAA).

If probation is extended for a student receiving veterans benefits, the United States Department of Veterans Affairs will be informed.

First-time students of GLCC admitted to the College on academic probation will not be permitted to apply for a student loan until they have completed one semester of study with a 2.0 GPA. If all other requirements for a loan are satisfied, they may apply for a student loan at the beginning of their second semester.

*Students on probation are required to meet with the Academic Mentor once a week during the semester in order to monitor sufficient academic progress. **Failure to fulfill this requirement may result in academic suspension.***

Academic Suspension

A student on Academic Suspension may not re-enroll for one semester. To reapply, the student must submit a Readmission Application to the office of Admissions prior to the beginning of the semester. The Academic Standing Committee will then act on the application.

A student who is readmitted after an academic suspension is on **permanent probation** and **must** earn an acceptable GPA or face dismissal.

Release of Information Policy

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. They are:

1. The right to inspect and review the student's education records within 45 days of the day the College receives a request for access. Students should submit to the Vice President of Academic Affairs, written requests to identify the record(s) they wish to inspect. The Vice President of Academic Affairs will make arrangements for access and notify the student of the time and place where the records may be inspected.
2. The right to request the amendment of the student's education records that the student believes are inaccurate or misleading. Students may ask the College to amend a record that they believe is inaccurate or misleading. They should write the College official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the College decides not to amend the record as requested by the student, the College will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding hearing procedures will be provided to the student when notified of the right to a hearing.
3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the College in an administrative, supervisory, faculty, academic or research, or support staff position (including law enforcement personnel and health staff); a person or company with whom the College has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.
4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by Great Lakes Christian College to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

Family Policy Compliance Office, U.S. Department of Education
600 Independence Avenue, SW, Washington, DC 20202-4605

Directory information includes the following: name, GLCC address and telephone number, date and place of birth, major field of study, dates of attendance, degrees and awards received, the most recent previous educational agency or institution attended by the student, and participation in officially recognized activities. Only the Registrar's Office disseminates directory information. All inquiries for such information should be forwarded to the Registrar. Students may see the Registrar to request non-disclosure of directory information. This request must be made by the end of the add/drop period each semester.

Satisfactory Academic Progress

Federal law requires that students receiving Title IV funds meet a schedule of satisfactory academic progress after two academic years in order to remain eligible for financial aid. GLCC's requirement for satisfactory academic progress is that students must have a minimum GPA of 2.0 after four semesters of full-time enrollment (or the equivalent). Also, students must earn the following minimum credits by the end of each semester of full-time enrollment (the first three semesters are offered as a guideline only):

<u>Semester</u>	<u>Credits Earned</u>	<u>Semester</u>	<u>Credits Earned</u>
1	8	7	72
2	16	8	84
3	26	9	96
4	36	10	108
5	48	11	120
6	60	12	132

Students who fail to meet the minimum credits earned or who fail to achieve the minimum GPA after four semesters will be ineligible for federal financial aid. For state financial aid, these requirements will apply after 24 hours of courses have been completed.

Schedule Changes - Adding/Dropping Courses

Students can add and drop courses before or during registration day without penalty or charge. To add or drop a course or make any other schedule change after registration day, the student must have the change approved by the instructor and the adviser on the form provided by the Registrar's Office. No fee is required up to the second day that a class meets, but after that the student must pay a \$20 fee to the Business Office at the time that the form is submitted to the Registrar's Office. No classes may be added or dropped after the second day that every class has met (not including nontraditional-format classes). This date is published in the Academic Calendar for each semester. After that date, the policy on "Withdrawal" will apply, and students may forfeit any returnable fees.

Transcripts

Requests for transcripts from students and former students must be submitted in writing to the Registrar. Faxed requests are acceptable if signed. Prior notice of 3 to 5 business days is required for pickup. Requests must include the following information: name (as it was while attending), Social Security number, dates of attendance, a complete address of the recipient, and signature. A form is available on the Registrar's page at www.glcc.edu. As a service to our students and alumni, GLCC does not charge for transcripts. The College, however, reserves the right to charge for multiple copies, frequent requests, or rush requests.

Transfer of Credit

Credit for comparable courses taken at other colleges and universities accredited by institutional and professional agencies recognized by the Council on Higher Education Accreditation (CHEA) may be transferred to GLCC, provided the student has received a 2.0 (C) or better in the course(s). A student may transfer courses equivalent to GLCC courses or courses that apply to the program of study and a maximum of 15 credit hours of open electives.

Non-Accredited Institutions. GLCC may allow some credit for studies from an institution not accredited by an agency recognized by CHEA on a case-by-case basis. In such instances, the following conditions apply: 1) Coursework considered for transfer from unaccredited institutions or accepted for credit must demonstrate that it represents collegiate coursework relevant to the degree with course content and level of instruction resulting in student competencies at least equivalent to those of students enrolled in GLCC's own degree programs; 2) Students transferring from unaccredited institutions, in addition to having official transcripts sent to GLCC, must provide college catalogues, course syllabi, and verification of the academic qualifications of the teaching faculty; 3) Transfer students from unaccredited institutions must enroll at GLCC for one semester for a minimum of 12 semester hours and earn at least a 2.0 or "C" overall grade point average before transfer credits will be applied. GLCC may require a test to validate the learning experience. The criteria for acceptance of non-accredited institutions credit will be kept in the student's academic record.

Military training and experience. GLCC may allow credit for military service school experiences and military occupational specialties. The decisions will be guided by the evaluations prepared by the American Counsel of Education (ACE) and published in the *Guide to the Evaluation of Educational Experiences in the Armed Services*.

Transfer credits are not counted in the calculation of the grade point average. GLCC will use a "SA" to indicate passing for allowable transfer credit. Official transcripts must be sent directly from the institution to the Office of the Registrar at Great Lakes Christian College, 6211 West Willow Hwy., Lansing MI. Students desiring to have transcript evaluations completed *prior to enrollment* should have official transcripts from all prior coursework sent to the Office of Admissions at the above address. Students

assume responsibility in the transfer process to provide necessary information such as course descriptions and/or syllabus if necessary.

For questions or more specific information regarding the Transfer of Credit from either an accredited or unaccredited institution, contact the Vice President of Academic Affairs or the Registrar.

Withdrawal

During the first five weeks of instruction, students who withdraw from a course will receive a WI, which does not affect the student's GPA. After the first five weeks of instruction, the instructor will submit a grade of WP or WF. In either case, no credits will be earned. A WP will not be calculated in the GPA, but a WF will be calculated in the GPA as a 0.0. Students may not withdraw from classes after nine weeks of instruction have been completed. In cases of catastrophic illness or other exceptional circumstances, the student may petition the Vice President of Academic Affairs for special consideration.

To withdraw from college, a student must obtain a "Withdrawal from College" form from the Registrar's Office. The student must obtain signatures from the Registrar, Resident Supervisors, Dean of Student Affairs, Director of Library Services, Business Office, Financial Aid Director, and Vice President of Academic Affairs to certify that all obligations have been settled. Withdrawal from college during the first five weeks of instruction will result in a WI; withdrawal between five and nine weeks will result in a WP or WF; withdrawal after nine weeks will result in a 0.0 for all classes.

Section 7:

STUDENT SERVICES

Counseling

Each faculty member seeks to establish a personal relationship with students, aiding them in selecting academic goals and encouraging them in personal spiritual growth. In addition, the Dean of Student Affairs, Directors of Student Life, Resident Assistants and Student Life Council members help students work through any concerns or problems that arise from college experiences. Confidential referrals for counseling may be available from the Dean of Student Affairs' office to the College family who seek assistance.

Cultural and Recreational Activities

The greater Lansing area offers many cultural and recreational opportunities for students attending Great Lakes Christian College. The Wharton Center for Performing Arts, located on the Michigan State University campus, presents concerts, Broadway productions, dramas and international events. The Lansing Symphony Orchestra also makes its home at the Wharton Center. There are theaters, galleries, and art fairs throughout the area. The Lugnuts, Lansing's minor league baseball team, provides excellent sporting entertainment.

There are a number of museums in the area and opportunities for year-round outdoor recreation at the many parks and lakes. Hiking, water sports, down-hill and cross-country skiing and golfing are all within easy travel of the College campus.

Discipline

Great Lakes Christian College desires to impose no more regulations upon its students than are necessary for orderly operations. Those it does impose are for the common good and maintenance of a Christian educational atmosphere.

The College requires the highest standards of citizenship and moral character in accordance with New Testament Christianity. Students who apply for admission to the College should be Christians who are fully aware of the conduct that is befitting Christians. Students are expected to conduct themselves as Christians at all times and under all circumstances. The standards expected of Christians are described in the Student Handbook.

Great Lakes Christian College reserves the right to deny an application for admission or re-admission if there is reason to believe a student will not adjust to the expected standard of conduct. The College further reserves the right to take appropriate disciplinary action in the case of any student who does not adjust to these expectations.

Actions for which students may face disciplinary action by the Dean of Student Affairs or the Discipline Committee, as stipulated in the Student Handbook, include pre-marital or extra-marital sex, homosexual activity, the use of drugs or tobacco, gambling, and unlawful possession, use, or distribution of drugs, alcohol, or any controlled substance.

Food Service

Great Lakes Christian College maintains a Cafeteria for College family and friends. Three meals per day are served Monday through Friday; one meal on Saturday and one on Sunday. Meal plans may be purchased through the Business Office.

Health Services

Each student is responsible for providing the student's own health and accident insurance. Health services are available at area hospitals, clinics, and the Sports Clinic at Michigan State University.

Housing

All single undergraduate students under the age of twenty-two taking eight or more hours of instruction are required to live in one of the on-campus dormitories. Requests for exceptions must be approved by the Administrative Council.

The College maintains separate residence halls for single male and female students, as well as an apartment building for family housing. The buildings for single men and women are furnished. The Director of Student Life oversees each building, and Resident Assistants help oversee activities in Men's and Women's Residences. Laundry facilities are available in each building.

Student Organizations

ATHLETICS

Great Lakes Christian College provides a program of athletics in which the "Crusaders" compete intercollegiately in a variety of sports. The College is a member of the National Christian College Athletic Association, which enables it to have a national affiliation that is Christian in nature. Within that organization, which is comprised of Bible colleges, Great Lakes is a Division II school.

ENSEMBLES

Musical ensembles travel each year presenting special music and college programs in churches, camps, and schools.

MADRIGAL DINNER/CONCERT

Each Christmas season a series of madrigal dinners/concerts in a medieval setting are presented for the community.

STUDENT DEVOTIONS

Scheduled devotional sessions are conducted in each suite and residence hall, as well as for the entire student body.

STUDENT LIFE COUNCIL

The Council acts as a liaison between students and administrators to promote the ideals of the College. Students are elected by their peers for membership to the Council.

Section 7:

FINANCIAL INFORMATION

Tuition and Fees

A schedule of tuition and fees is available by contacting the Office of Admissions.

Student Payments

At registration, the student will receive written notification of the total amount of tuition, fees, and room and board charges due. If a student has been awarded financial aid, the Financial Aid Office will arrange for the proper credit to the student's account. It is the student's responsibility to have all financial aid documentation completed and to contact and arrange any outside scholarships or other sources of funding prior to the day of registration. Registration is considered incomplete until arrangements have been made for full payment of all charges. Major credit cards may be used to pay student accounts.

Requests for loan proceeds will not be processed until two weeks after receipt of the loan check or two weeks after the end of the refund period, whichever is later. The College will charge 1.5% interest per month on all unpaid balances on student accounts.

Refunds

If a student decides to withdraw from GLCC or reduce credit hours, tuition and fees will be refunded according to government guidelines or in accordance with schedules published each semester, whichever is applicable. The most recent refund schedule is printed in the Student Handbook.

Financial Aid

Great Lakes Christian College endeavors to keep costs within reach of all students so that as many as possible can benefit from a Christ-centered education. Even so, financing a college education can be challenging. If a student has need, financial aid programs are designed to help meet the challenge.

STUDENT FEDERAL GRANTS

A large number of Great Lakes Christian College students take advantage of various U.S. Department of Education programs that enable them to further their educational goals.

PELL GRANT

This grant is made available through the U.S. Department of Education. Application is made by completing the Free Application for Federal Student Aid (FAFSA). (Enter 002269 for the Title IV Code). A Student Aid Report (SAR) will be returned to the student which should be retained for possible correction. Awards are based upon demonstrated financial need as determined by government formula.

SUPPLEMENTAL EDUCATIONAL OPPORTUNITY GRANTS (SEOG)

If a student has demonstrated a financial need the student may be considered for the SEOG. The award is based on the family's ability to contribute as determined by the FAFSA.

VETERANS' BENEFITS

Financial assistance is available to veterans of the U.S. Armed Forces. Benefits may vary according to the specific government program. Application forms for these benefits are available in the Financial Aid Office.

VOCATIONAL REHABILITATION GRANTS

Students with physical or mental impairment are encouraged to apply for this grant. The State Vocational Rehabilitation Division determines the grants, which may be applied to tuition and certain fees.

STUDENT STATE GRANTS

MICHIGAN COMPETITIVE SCHOLARSHIP

Available to Michigan students attending public and non-public Michigan colleges and universities. Applicants must take the American College Test (ACT) prior to college entry and release the scores to the State of Michigan. Participating in the April, June, or October test dates of the year prior to entering college assures consideration for the student's freshman year.

MICHIGAN TUITION GRANT

Available on the basis of demonstrated need to Michigan students attending non-public degree-granting Michigan colleges and universities.

Note: A student cannot receive a Michigan Competitive Scholarship and a Tuition Grant at the same time. The student must be pursuing an A.A. or B.S. degree to be eligible for either program. A student may apply for these awards through the Free Application for Federal Student Aid (FAFSA). The first Michigan college listed on the FAFSA is the college through which the State processes any award. If the student chooses to attend a different college, the State must be informed of this change at 1-888-4-GRANTS. State law mandates that this grant be used only for tuition.

STUDENT LOAN PROGRAMS

If a student does not have immediate resources to complete payment for educational expenses, the student may choose to borrow against future earnings (full-time employment after the completion of the student's educational program) through several loan programs.

STAFFORD LOANS

A student may apply for this government-assisted loan after completing the Free Application for Federal Student Aid (FAFSA). Repayment begins six months after the student ceases to be enrolled at least half-time.

PARENT LOAN FOR UNDERGRADUATE STUDENTS (PLUS)

Parents may borrow for the cost of a student's education using this program. Repayment and the calculation of interest begin within 60 days after the disbursement of the funds obtained from the loan. If the student is an "independent" (self-supporting) student, the student may borrow under the SUPPLEMENTAL LOANS FOR STUDENTS (SLS) program. A student enrolled at least half-time may obtain a deferment on this Stafford Loan.

STUDENT EMPLOYMENT

Many students need to earn a portion of the cost of their education while in college. Applications for Great Lakes Christian College employment are provided through the College Business Office.

COLLEGE WORK-STUDY (CWS)

If a student has a financial need, the student may be able to participate in this Federally-funded program. There are many jobs on campus in a number of different areas of the College. Eligibility is based on the FAFSA.

MICHIGAN WORK-STUDY

A state-funded program for Michigan residents that has the same criteria as the CWS program.

OFF-CAMPUS EMPLOYMENT

Many students find part-time employment in retail stores, restaurants, and other areas of employment in the general vicinity of the College. Great Lakes Christian College students have an excellent reputation

with employers in Lansing. Many call the College for student referrals. Employment information is posted by the College.

COLLEGE GRANTS AND SCHOLARSHIPS

Great Lakes Christian College makes available several grants and scholarships to students who demonstrate special ability and/or who show financial need. All students who wish to apply for scholarships must also apply and be accepted for admission.

Scholarships are granted to students who are in good standing with the College. Any returning student for the Fall Semester with a probationary status is ineligible for the following GLCC scholarships.

Students qualifying for GLCC scholarships will be awarded an amount which may equal but not exceed the total amount charged for GLCC tuition. GLCC scholarships apply only to Great Lakes Christian College courses, not extension courses, co-op courses, online consortium courses, or private instruction. Only on-campus, resident students may receive GLCC scholarships in excess of \$5,000.

The following group of scholarships require that a student submit a completed Scholarship Application and FAFSA each year to receive consideration for an award. (Scholarship and FAFSA Applications are available from the Office of Admissions.)

ALUMNI SCHOLARSHIP

Preference for this scholarship will be given to juniors, one male and one female. One will be a vocational ministry major, and the other will not be in a vocational ministry major. Selection of recipients will be at the discretion of the Alumni Association officers upon recommendation of the GLCC Scholarship Committee.

BRANDON STOUT MEMORIAL SCHOLARSHIP

The purpose of this scholarship is to assist students who have financial need and have declared youth ministry or Christian education as their vocational goal. The scholarship was established in February 2007 in memory of Brandon Stout.

CARTER MINISTRY SCHOLARSHIP

This scholarship is intended to motivate and encourage students who have declared the preaching ministry as their vocational goal. Recipients must be either junior or senior status.

CHRISTIAN LEADERSHIP SCHOLARSHIP

The purpose of this scholarship is to supplement tuition costs of those who intend to enter the ministry. Preference will be given to students in their last two years of college education.

CLYDE KLAUKA SCHOLARSHIP

This scholarship is intended to provide financial assistance for students demonstrating financial need. Priority of this scholarship is given first to the members of the Deerfield Church of Christ. This scholarship is underwritten by gifts donated in memory of Clyde Klauka.

DANIELLE KUEST SCHOLARSHIP

The purpose of this scholarship is to provide financial assistance for worthy GLCC students with preference given those of Native American Indian origin and with expectations of serving in Christian education, youth ministries or music. The scholarship was established in memory of Danielle Kuest, daughter of Dr. and Mrs. Alvin Kuest.

EDMUND SCHOLARSHIP

This scholarship is to provide financial assistance for students demonstrating financial need. The scholarship was established in 2005.

GOOD SAMARITAN SCHOLARSHIP

Students who have declared their intent to enter the vocational ministry may apply for this scholarship. This fund was established in 1968.

JEREMY JOHNSON MEMORIAL FUND

Students who have declared intent for ministry or missions and have at least a 3.0 grade point average may apply. Students must demonstrate a financial need. This scholarship was established by Larry Johnson.

JOAN (LOTRIDGE) DICKINSON SCHOLARSHIP

The purpose of this scholarship is to encourage, help and support married, female GLCC students who have an interest in music and/or Christian education.

MARY MARTHA HARGRAVE MUSIC SCHOLARSHIP

This scholarship is to provide financial assistance for worthy students who have declared a Music Major or Minor. This scholarship was established in April 2004.

MELLIE & MAE AMSTUTZ SCHOLARSHIP

This scholarship is to provide financial assistance for worthy students who are enrolled in GLCC. This scholarship was initiated by the estate of Mae Amstutz.

NORTHSIDE CHRISTIAN CHURCH OF MUNCIE SCHOLARSHIP

The purpose of this scholarship is to provide tuition assistance to male students preparing for a pulpit ministry through the Adult Learning Program.

PINE RUN SCHOLARSHIP

This scholarship exists to provide assistance for tuition and books to male senior-level students preparing for a preaching ministry.

PRESIDENTIAL SCHOLARSHIP

This scholarship is underwritten by the DR. BRANT LEE DOY FUND FOR HIGHER CHRISTIAN EDUCATION. Money is designated to this fund by contributors giving in memory of Dr. Brant Lee Doty, former Chancellor of the College. Any student may apply for this scholarship after he or she has applied for all other available scholarships and grants at GLCC. The Scholarship is awarded at the discretion of the President upon recommendation of the Scholarship Committee.

ROBERT MONROE SCHOLARSHIP

The purpose of this scholarship is to provide tuition assistance for a senior student, the son of a minister, preparing for a ministry/youth ministry.

RONALD F. FISHER MISSION SCHOLARSHIP FUND

This scholarship is to motivate and encourage students who have declared missions or a related cross-cultural ministry as their vocational goal. Recipients will be classified as juniors or seniors and must have a minimum 2.5 GPA. This scholarship was established by the Northview Christian Church in the name of Ronald Fisher, long-time preacher at Northview and Professor Emeritus at Great Lakes Christian College.

RUSSELL ASH SCHOLARSHIP

The purpose of this scholarship shall be to provide tuition assistance for worthy international students who are enrolled at GLCC. This scholarship was established by the generous contributions given in memory of Russell Ash and his influence at Duplain Church of Christ. (Since international students do not receive federal financial aid, the FAFSA form is not required.)

THE CHATLOS FOUNDATION, INC. SCHOLARSHIP

This scholarship provides tuition assistance for African-American ministers and church leaders pursuing an AA degree through the Adult Learning Program. This scholarship is awarded at the discretion of the Scholarship Committee.

WANETTA T. LITTLE SCHOLARSHIP

The purpose of this scholarship is to provide tuition assistance for any student with a strong academic record. The recipient shall display strong Christian character. Priority of this scholarship is given first to members of the Novesta Church of Christ. This scholarship was initiated by Keith Little in memory of his wife, Wanetta.

The following grants and scholarships are funded directly by Great Lakes Christian College. Each scholarship has particular requirements which must be met by students accepted for admission. No combination of these scholarships can exceed the cost of tuition in a given semester.

SPOUSE OR FAMILY GRANT

Families with more than one student enrolled at GLCC full-time during the same semester are provided with this grant. Each family member receives an amount equal to one-quarter of their GLCC tuition. "Families" are defined by Federal Title IV guidelines.

ACADEMIC SCHOLARSHIP

All students who enroll within one year of their traditional high school graduation may qualify for an Academic Scholarship. Academic Scholarships are based on American College Test (ACT) scores or Scholastic Aptitude Test (SAT) scores and high school grade point average (on a four-point scale). Tests must be taken on national dates rather than residually. Scholarships can be renewed for a maximum of four years; the cumulative grade point average of enrolled students will be evaluated after each year at GLCC. Academic Scholarships cannot apply toward extension or co-op courses. The following chart is used to calculate annual Academic Scholarship awards:

ACT SAT H.S. GPA/ Renewal	18 – 22 920 – 1100	23 – 24 1110 – 1200	25 – 27 1210 – 1310	28 – 29 1320 – 1380	30 – 36 1390 – 1600

<u>Second Place:</u>	\$1,350	<u>Fourth Place:</u>	\$ 450

Awards, places, and amounts may be split where there are two separate contests.

MUSIC SCHOLARSHIP

Applicants for the Music Scholarship should submit an audition tape with twenty minutes of music that best displays their musical talent. The tape should be submitted by May 1 to the College Music Faculty.

PROMISE SCHOLARSHIP

Students participating in “Promise,” GLCC’s summer music camp program, may receive a scholarship in the amount of the enrollment fee for the camp program. Students who participate over multiple years will only qualify for a scholarship for the last year’s enrollment fee.

CHILDREN OF ALUMNI SCHOLARSHIP

Children of GLCC Alumni, whose parents are current members of the Alumni Association, receive a \$1,000 non-renewable scholarship for their freshman year.

MK SCHOLARSHIP

Any student whose parents are active missionaries in a foreign mission field (outside of the continental United States) may be eligible to receive this scholarship for full tuition. The Scholarship Committee will make the final decision for the awarding of this scholarship.

(An updated list of available scholarships is available from the College Business Office,]

A Philosophy for Teaching Faculty

The role of teaching faculty at Great Lakes Christian College may be defined as “mentors / teachers and scholars.” First of all, our faculty are to be **mentors** to less experienced Christian brothers and sisters, otherwise known as their students. Mentoring occurs both inside and outside the classroom. It assumes a relationship of mutual submission (Ephesians 5:21) between fellow-Christians. It requires a servant’s heart on the part of the faculty. Mentoring also implies wisdom on the part of the faculty and trust and respect by the student. Secondly, our faculty are to be **teachers**. This assumes an in-depth understanding of the content and the ability to “connect” with students in the classroom and to communicate effectively. Thirdly, our faculty are not primarily researchers and are not required to do academic research as a part of their responsibilities. They are, however, encouraged to pursue **scholarship** and to stay current in their respective fields. Evaluation of faculty flows directly from this philosophy.

GLCC’s faculty are not only prepared academically. In addition to Doctorate and Master’s degrees, they have years of ministry experience and are all heavily involved in being servant-leaders in the church and world. Every week they serve as part-time ministers, interim ministers, elders, worship leaders, and teachers in churches. They know how to mentor and teach, and they are experts in their respective areas.
