THIS IS A TEST EMAIL

Volume 66 No.1 January 2020

Have you noticed that the KEY is no longer coming to your mailbox?

We are making a change. The KEY will now come to your email box! For just under 70 years the KEY has been printed and delivered to the mailboxes of friends, donors, churches, and alumni. We are entering a new era...digital! (It's about time, don't you think?) We find that we will be able to reach more people effectively and give you more timely updates on what God is doing through Great Lakes Christian College.

You will continue to hear from the President, be informed of events, stay in tune with our students, and connect with alumni and friends of the College.

Through the KEY we anticipate communicating the results of our mission in a positive, professional, and creative way.

Memorial Gifts to GLCC

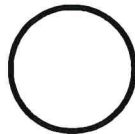

We have been blessed throughout the year to have individuals give tribute gifts. These gifts convey sympathy to the bereaved, memorialize a loved one, commemorate a special occasion or honor someone special. A tribute gift is a way to show your appreciation for the impact a person has made on your life. Any gift made "in memory" of or "in honor" of someone will be recorded and those honored will be notified.

What is the TRUE purpose of higher education?

As college costs have gone up we have seen increasing competition to enroll students. One of the results has been a tendency to treat high school students as if they were simply customers to be lured into the academic marketplace. [Read more from President Carter>>>](#)
