Women's Spring Celebration a Success!

It finally happened! Sixty women gathered in the Doty Center for the 2021 Women's Spring Celebration. The GLCC Showcase theme highlighted the musical talent of students and staff as well as their testimonies. The entire evening was a revisit of last year's 65th anniversary year. Sally (Doty) Garman read a history of the first Women's Banquet in 1956 and shared some of her memories growing up and attending the Banquet. This year was unique, still being under some of the restrictions as a result of COVID-19, where we were not able to provide food and host our normal gathering numbers. The project goal (carpet and furniture for Matthew's Hall lobby) of \$3000 was exceeded with an offering of \$6,235!
