### ***A Special Announcement*** ***February 5, 2021***

*Dear GLCC Family,*

*I have formerly submitted to our Board of Trustees my intent to retire as the President of Great Lakes Christian College. My intention is to retire on June 30, 2022. This would conclude my role as president after 22 years of service. I have so appreciated the opportunity to lead our college and to see many students leave our campus to be servant leaders in the church and world.*

*It has been my pleasure to have worked with some incredible people who have joined in the*

*work of preparing the next generation of Christian leaders. My fellow administrators, faculty, staff, and trustees have been an encouragement to me during these last two decades. I will always be indebted to them for their partnership in ministry.*

*In the near future we will be putting into place a transition team to aid in the search for a new president. Please be in prayer as we seek God's will in that regard.*

*Thank you for your prayers and for believing in the importance of our ministry to the Kingdom of God.*

*Your brother,  
Larry Carter, President*

**PROMISE 2021 ~ July 25-30**

We invite you to join us for this special evening of fellowship and praise. No food will be served this year, but there will be a program presented by the GLCC Music Department including our Bell Choir and Musical Ensemble. We will showcase students and staff and the good things God is doing through GLCC.

We will also be encouraging attendees to consider a special offering that will benefit our students. This year's goal is \$3000 and will be used to buy new carpet and furniture for the women's lobby in Matthews Hall.
