THIS IS A TEST EMAIL

**Volume 66 No. 11**  
**November/December 2020**

***Now is the time to connect!***  
**Phil Beavers, VP of Institutional Advancement**

It's been a roller coaster ride over the past nine months and we at GLCC have learned to hang on tight! We have great optimism as we approach 2021 and the spring semester. As I look to next year I was thinking through how our constituency could connect with us, knowing that it will make a significant impact on our mission to train servant-leaders for the church and world.

**First, your prayers are important.** Our efforts pale to what God can and will do. Praying for good health among our faculty, staff, and students is important right now. Asking God to raise up more students to attend this spring will be critical. God is good! Thank you to all who are faithful in prayer.

**Second, you can jump on board by giving to the Fill the Gap Scholarship campaign that started November 30 and goes through December 31.** We have two donors that have given \$50,000 as a challenge gift which means for every dollar given to this scholarship they will match dollar for dollar. WOW...this is exciting! Click on the Fill the Gap logo below to join in. This [scholarship](#) will help us retain freshmen students into the next semester.

**Third, we would like to hear from you.** We are in a continual process of improvement and assessment. As we approach our next accreditation assessment in 2022 we would like to get your feedback. This survey has gone out to churches and church leaders. If you would like to participate in this survey as a friend of GLCC or as a church leader, feel free to take a few minutes to do so. *In a world full of uncertainty, this time of year, this Christmas season, is a welcome reminder of God's love and care for His people. Matthew 1:23 states, "The virgin will be with child and will give birth to a son, and they will call him Immanuel – which means, 'God with us.'" In the midst of political turmoil and a rampant pandemic many are concerned about their future. Christmas reminds us, once again, that what happened on that day in Bethlehem is still true today –*
