***Dr. Frank Weller - "Has a well-conceived and  
compelling vision for GLCC's future."***

*"I'm excited to see the energy and vision that President (elect) Frank Weller is bringing to the future work of Great Lakes Christian College. He has impressed me with his preparation to deal with the immediate challenges and his thoughtful planning to take the College to a whole new level of effectiveness in training servant/leaders for the church and world. There is no doubt in my mind that God has brought together an amazing team of leaders, resources, and teaching talent to position GLCC as a key source of ministers and leaders in the Restoration Movement for the present time and for many decades into the future. - Trustee, Rick Stacy*

*"As a current trustee and friend, I am excited to begin to work with Frank as the tenth president of Great Lakes Christian College. He is a man of strong character and a solid leader. I have personally witnessed his dedication to the faculty, staff, and students during the time we were students here at GLCC and most recently as we served together as trustees. He embodies the mission of the college: preparing servant-leaders in the church and world. My husband and I have personally experienced his pastoral care for people. I believe strongly that God has placed him in the position for such a time as this. I look forward to witnessing how God will use Frank to be a blessing to the College and help it thrive and prosper. Frank, you have come a long way from the time I first met you! May God Bless you as you remain faithful to your calling." - Trustee, Denise Timm*

*"Frank has a well-conceived and compelling vision for GLCC's future. We look forward to working with him to make it a reality!"- Professor of Theology, Dr. John Nugent*
