in the church and world.***

Servant-Leaders in the Church

Preparing students to be servant-leaders in the church context is the primary focus of GLCC. Ministry in the church has come to mean a wide variety of roles and responsibilities. Recognizing this developing trend, the faculty of Great Lakes Christian College has consolidated a number of ministry-focused majors into a single Ministry Major with several possible concentrations. Students share a common ministry training curriculum relevant to all vocational ministers, then choose a specialty to further develop skills in their specific area of interest. In addition to the Ministry Major, GLCC has majors in Advanced Biblical Studies, Family Life Education, and Worship Ministry that equip the student to enter other areas of ministry within the church.

Servant-Leaders in the World

Several programs are designed not only to prepare students for service in a church context but also to provide the transition to careers and occupations outside the church context. The Advanced Bible Studies major, Music major, Psychology/Counseling major, and Interpersonal and Organizational Communication major are designed to prepare students for service in the church and prepare students for further studies in a graduate setting. In addition, the Business Management-Nonprofit major, the History major, and the Elementary Education major enable students to receive a Christian education while preparing to be a witness for Christ in the workplace.

Presidential Search Update

The search committee is pleased to share that we have applications coming into us and that the candidates have the credentials that we are looking for. The deadline for applications remains September 30 and we expect that there may be other applications submitted by then.

The applicants that meet the objective standards of our search will then begin the background check and interview stages. We plan to begin scheduling these steps in early October.

We continue to ask for your prayers as we look to Him for guidance and direction in all things.

Yours in Christ
Duke Gray
Chair of the Search Committee
