## Youth Minister

Bethel Church of Christ is seeking to add a full-time youth ministry position to our current full-time staff. The youth minister would oversee the ministries involving students in 7th-12th grade. Currently Bethel enjoys a very large group of small children involved in our children's ministries, and the candidate would work closely with our Director of Children's Ministries to help disciple students as they navigate through the challenges of their teen years. This is a forward-thinking ministry addition as we look to keep those families involved through their students' high school years and beyond.

For the right candidate this could work into a dual specialty ministry. Bethel would like to hire the correct person more than filling a specific position. The other position could be in worship, small groups, discipleship, assimilation, technology, etc. Where can your passions and skills be best used to advance the kingdom of God?

Bethel currently has 2 full-time staff, and 5 part-time staff between the church and Bethel Christian Preschool. We are a rural congregation in Northwest Ohio situated between the college towns of Ada and Bluffton, and a short drive from Findlay. We are an established congregation with 2 worship services and a very active Sunday school program.

Bethel offers a very competitive compensation package commensurate on experience.

A graduate of a Church of Christ/Christian Church-supported college or university and/or prior experience in youth ministry is preferred.
