Financial Aid Payments for GLCC Students

Method and Frequency

Financial aid payments for students are typically made once per semester from each source of aid by crediting each student's Business Office student account. Loan payments may vary from this based upon the loan period of the loan. Payments to any student are made by check which is drawn from the surplus which the student has in their student account.

Students are encouraged to visit studentaid.gov for the latest information and tips regarding Federal Student (Title IV) Aid.

Qualified Michigan residents, though completing the FAFSA are also applying for Michigan's State Competitive Scholarship or Tuition Grant.

The Federal Government and the State of Michigan require that students meet a schedule of satisfactory academic progress to remain eligible for Title IV and Michigan (after two semesters of full-time enrollment or the equivalent) aid. To achieve this schedule, students must maintain satisfactory academic progress. Contact the Financial Aid Office at Great Lakes Christian College for specific information on any of these topics (517.321.0242 x 227).

Grants and Scholarships Available for Qualifying GLCC Students

Great Lakes Christian College endeavors to keep costs within reach of all students so as many as possible can benefit from a Christ-centered education. Even so, financing a college education can be burdensome. If a student has need, financial aid programs are designed to help share the burden.

STUDENT FEDERAL GRANTS

Many Great Lakes Christian College students take advantage of various U.S. Department of Education programs that enable them to further their educational goals.

PELL Grant

This grant is made available through the U.S. Department of Education. Application is made by completing the Free Application for Federal Student Aid (FAFSA). (Enter 002269 for the Title IV Code). Awards are based upon demonstrated financial need as determined by government formula.

Federal Supplemental Educational Opportunity Grants (FSEOG)

If a student has demonstrated a financial need the student may be considered for the FSEOG. The award is based on the family's ability to contribute as determined by the FAFSA.

Veterans' Benefits

Financial assistance is available to veterans of the U.S. Armed Forces. Benefits may vary according to the specific government program. Contact the Financial Aid Office for more information.

Vocational Rehabilitation Grants

Students with physical or mental impairment are encouraged to apply for this grant. The State Vocational Rehabilitation Division determines the grants, which may be applied to tuition and certain fees.

STUDENT STATE GRANTS

Michigan Competitive Scholarship

Available to Michigan students attending public and non-public Michigan colleges and universities. Applicants must score a minimum of 1200 on the SAT to qualify.

Michigan Tuition Grant

Available on the basis of demonstrated need to Michigan students attending non-public degree-granting Michigan colleges and universities.

Note: A student cannot receive a Michigan Competitive Scholarship and a Tuition Grant at the same time. The student must be pursuing an A.A. or B.S. degree to be eligible for either program. A student may apply for these awards through the Free Application for Federal Student Aid (FAFSA). The first Michigan college listed on the FAFSA is the college through which the State processes any award. If the student chooses to attend a different college, the State must be informed of this change at 1-888-4-GRANTS. State law mandates that this grant be used only for tuition.

Tuition Incentive Program (T.I.P.)

Available to Michigan resident students who had Medicaid coverage for 24 months within a 36-consecutive month period as identified by the Michigan Department of Human Services (DHS). For more information see www.michigan.gov/ssg or call 1-888-4-GRANTS.

STUDENT LOAN PROGRAMS

If a student does not have immediate resources to complete payment for educational expenses, the student may choose to borrow through several loan programs.

Direct Student Loans

A student may apply for these government-assisted loans (subsidized and unsubsidized) after completing the Free Application for Federal Student Aid (FAFSA). Repayment begins six months after the student ceases to be enrolled at least half-time.

Direct Parent Loan for Undergraduate Students (PLUS)

Parents may borrow for the cost of a student's education using this program. PLUS loans are subject to the same repayment rules and regulations as Direct Student Loans. Independent students and dependent students whose parents are denied a PLUS loan may borrow an additional unsubsidized loan.

STUDENT EMPLOYMENT

Many students need to earn a portion of the cost of their education while in college. Applications for Great Lakes Christian College employment are provided through the College Business Office.

Federal Work-Study (FWS)

If a student has a financial need, the student may be able to participate in this federally-funded program. There are many jobs on campus in different areas of the College. Eligibility is based on the FAFSA.

Off-Campus Employment

Many students find part-time employment in retail stores, restaurants, and other areas of employment in the general.

2022 / 2023 Approximated Expenses for Attending GLCC

The typical GLCC student living in the dormitory can expect to incur these average expenses for a full year (two semesters) attendance.

TUITION	30 hours @ \$578 per hour	17,340.00
CAMPUS SERVICES FEE		1,550.00
ROOM & BOARD	17 meals per week	9,000.00
TOTAL (two semesters)		\$27,890.00

These figures reflect GLCC approximated costs only. Students may incur additional expenses depending on personal needs. [GLCC does not give specific costs for books as differing class choices result in varying book expenses.]

2022 / 2023 Costs of Attendance

The United States Department of Education requires that all institutions of higher education provide interested and/or prospective college students with Cost of Attendance figures. A Cost of Attendance figure includes typical educational cost charged by the College and other indirect costs such as travel, clothing, laundry, and other such personal expenses. *The indirect costs are not amounts which GLCC charges the student, but expenses which the student could reasonably expect to incur while attending College.* Therefore, the intent

of the Cost of Attendance is to provide the student with a more complete picture of the total cost of attending College. The United States Department of Education mandates that any student receiving Title IV assistance (PELL grant, student loans, Federal Work Study) may not receive financial aid from all sources (governmental, institutional, public and private) in an amount which is greater than the student's cost of attendance.

NON-DISCRIMINATION POLICY

Because of the historic commitment to Biblical principle ("There is neither Jew nor Greek, slave nor free, male nor female..." Galatians 3:28), Great Lakes Christian College has been, and remains, nondiscriminatory in all policies and programs. Great Lakes Christian College admits students of any race, color, and national or ethnic origin to all rights, privileges, programs, and activities generally made available to students at the College. It does not discriminate on the basis of gender, race, physical handicap, national or ethnic origin in administration of educational programs, admissions policies, scholarship and loan programs, employment practices, athletics, or other activities. The College actively seeks to fulfill federal, state, and local laws and regulations in all its practices and facilities. The facilities are designed to provide access for the physically handicapped.

POLICY ON SEX, SEXUALITY, and GENDER IDENTITY

Adopted 3/ 2015

Great Lakes Christian College Policy on Sex, Sexuality and Gender Identity

SUMMARY

Great Lakes Christian College affirms the full humanity and dignity of every human being, regardless of their sexual orientation or gender identity. Among the sins that the Bible clearly condemns is sexual immorality and homosexual behavior (1 Corinthians 6: 9-11). All students, regardless of age, residency, or status, are required to abstain from cohabitation, any involvement in premarital or extramarital sexual activity, or homosexual activity (including same-sex dating behaviors). This includes the promotion, advocacy, and defense of the aforementioned activities.

We recognize that there are individuals within our community who experience same-sex attraction, and/or confusion about gender. They are loved and valued and we condemn any malice directed toward them. Regardless of one's perspective or tradition, we encourage all of our community members to engage this issue with civility and respect.

Great Lakes Christian College reserves the right to terminate or deny enrollment of those whose influence upon our community should prove to be in our judgment intractable contrary to the best interests of our students, and commitments to our College and to our Lord. Therefore, Great Lakes Christian College will not support persistent or conspicuous examples of cross-dressing or other expression or actions that are deliberately discordant with birth gender, and will deal with such matters within the appropriate pastoral and conduct processes of the College.

Great Lakes Christian College reserves the right to examine situations on an individual basis taking into consideration that unique characteristics of a given issue or person while upholding the teaching of the Christian churches/churches of Christ, Great Lakes Christian College's Doctrinal Statement of Faith, and the community standards addressed in the Faculty, Employee, and Student Handbooks. The Great Lakes Christian College Board of Trustees has the final authority and responsibility for the interpretation of our Doctrinal Statement of Faith, community standards, and of the Biblical principles that serve as their foundation.

TITLE IX – SEXUAL MISCONDUCT POLICY

Adopted 6/2014; Revised 8/23

Sexual Misconduct Policy – Title IX – Violence Against Women Act

I. Introduction

“No person in the United States shall, on the basis of sex, be excluded from participation in, or be denied the benefits of, or be subjected to discrimination under any educational program or any activity receiving Federal financial assistance.” 20 U.S.C. § 1681(a).

Great Lakes Christian College is a Christ-centered institution of higher education that is committed to the Biblical principle that all human beings are created in the image of God. Because of that belief, the College is committed to basing judgments concerning the admission, education, and employment of individuals upon their qualification and abilities.

Great Lakes Christian College is also committed to maintaining and strengthening an educational, working, and living environment founded on the Biblical principles of love and mutual respect. The College seeks to provide programs, activities, and an educational environment free from sex discrimination. In accordance with this policy and as delineated by federal and Michigan law, Great Lakes Christian College does not discriminate on the basis of sex in education programs or activities, including but not limited to recruitment, admissions, housing, athletic and extracurricular activities, discipline, distribution of financial assistance, distribution of institutional resources, hiring practices, employment, promotion, and policies.

The College is committed to promoting respect for the bodily integrity of all persons, the virtues of chastity, and the sacredness of human sexuality. The College affirms that sexual relationships are designed by God to be expressed solely within a marriage between husband and wife. Sexual acts of any kind outside the marriage bond are inconsistent with Biblical principles and are prohibited by College policies.

“Sexual Misconduct”, as that term is used in this policy, means any form of sex discrimination or violence prohibited by Title IX and the Violence Against Women Act. Great Lakes Christian College prohibits any and all forms of *quid pro quo* arrangements, dating violence, domestic violence, sexual assault, and stalking. Great Lakes Christian College recognizes the spiritual, moral, legal, physical, and psychological seriousness of all sexual misconduct, regardless of the level of acquaintance between the perpetrator and the victim. Great Lakes Christian College aims to eradicate sexual misconduct through education, training, clear policies, and serious consequences for violations of these policies.

In addition, the College recognizes that sex discrimination, in any form, is a violation of College regulations and policies. Sex discrimination includes all forms of sexual violence and sexual harassment. Further, the College recognizes that sexual violence is a serious threat to the College community, is prohibited by Title IX, and is a criminal act. Therefore, the College will provide the following to the members of the College community:

1. A statement of expectations for behavior with regard to community standards pertaining to sex discrimination.
2. Resources aimed at reducing the risk of sexual violence, including educational programs for men and women.
3. Procedural intervention to offer support and information following the report of sex discrimination.
4. Student conduct and employee disciplinary procedures that address the needs of complainants and protect the rights of respondents.

The College will take immediate action to address sex discrimination promptly and to equitably investigate complaints to resolve the situation, prevent its reoccurrence, and address its effects by implementing awareness and/or preventative measures.

II. Definitions

College

College means Great Lakes Christian College, Lansing, Michigan.

College Community

For the purposes of this policy, “College Community” includes all students, staff, faculty, administration, trustees, interns, volunteers, and visitors.

College Student

College Student means any person who is registered or enrolled at the College at the time of the alleged sex discrimination.

Dating Violence

Dating Violence refers to violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim. The existence of such a relationship will be determined based on the reporting party’s statement and with consideration of the length of the relationship, and the frequency of the interaction between the persons involved in the relationship. This includes but is not limited to sexual or physical abuse or the threat of such abuse, psychological and emotional abuse such as public shaming or bullying, keeping someone from friends and family, or posting photos online without consent.

Domestic Violence

Domestic Violence can be any of the acts that constitute “dating violence” but are regarded as a misdemeanor or felony act. A current or former spouse commits this violence or intimate partner of the victim, by a person the victim shares a child with, who is cohabitating with or has cohabitated with. It also can refer to violence against those living with the victim or in the victim’s care.

Consent

As a matter of federal and state law, sexual activity requires the consent of both parties. Such consent is defined as clear, unambiguous, and voluntary agreement between the parties.

Consent cannot be obtained from someone who is under 18 years of age, asleep or otherwise mentally or physically incapacitated, whether due to alcohol, drugs, or some other temporary or permanent, physical or mental disability or condition. Consent cannot be obtained by threat, coercion, or force. Agreement given under such conditions does not constitute consent.

Educational Program or Activity

This policy applies to any educational program or activity of the College. This would include locations, events, or circumstances over which the College exercises substantial control over the respondent and the context in which the alleged sexual harassment occurs, such as

residence halls, dining halls, classrooms, and the gym. Locations, events, or circumstances *without* substantial control would include anything outside the United States, privately-owned off-campus apartments (at which students may reside). Note: foreign nationals in the United States are covered by Title IX as they participate in educational program or activities of the College.

Employee

Employee means any person employed by the College, whether as a trustee member, administrator, faculty, adjunct faculty, or staff member, whether full-time, part-time, or volunteer.

Fondling

The touching of the private body parts of another person forcibly and/or against that person's will.

Force

Force means physical force, violence, threat, intimidation, or coercion.

Hostile Environment

When sex harassment is so severe, pervasive, and objectively offensive that it effectively denies a person's equal access to the school's education program or activity or employment.

Rape

Penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person, without the consent of the victim.

Respondent

A person alleged to have committed a violation of the College Title IX policy. The term may be also used to designate persons with direct responsibility for a particular action or to those persons with supervisory responsibilities for conduct, procedures, or policies in those areas covered by the complaint.

Sex Discrimination

For the purposes of this policy, "sex discrimination" shall include, but not be limited to, any acts of sexual violence, sexual assault, and sexual harassment. In compliance with Title IX of the Educational Amendments of 1972, sex discrimination applies to, but is not limited to: recruitment, admissions, housing, athletic and extracurricular activities, rules and regulations, discipline, class enrollment, access to programs, courses and internships, distribution of financial assistance, distribution of institutional resources, hiring practices, employment, promotion, and policies.

Sexual Assault

Sexual assault is the commission of sexual contact or a sexual act, whether by an acquaintance or by a stranger that occurs without indication of consent of both individuals or that occurs under threat or coercion.

When there is a lack of mutual consent about sexual activity, or where there is ambiguity about whether consent has been given, or where the victim cannot consent, an individual can be charged with, and found to have committed, sexual assault.

Much sexual misconduct includes nonconsensual sexual contact, but contact is not a necessary component. Threatening speech which is sufficiently serious to constitute sexual harassment, for example, will constitute sexual misconduct. Photographs, videos, or other visual or auditory records of sexual activity made without explicit consent constitute sexual misconduct, even if the activity documented was consensual. Similarly, sharing such recordings without explicit consent is a form of sexual misconduct. For example, forwarding a harassing electronic communication may also constitute an offense.

In addition to being prohibited by federal and Michigan law, including Title IX of the Education Amendments of 1972, sexual assault could result in criminal prosecution or civil liability.

Reports of sexual assault will be reported to local law enforcement for appropriate action, including investigation and prosecution as appropriate. Such criminal prosecution will proceed separately and apart from a College investigation and disciplinary proceeding under the guidelines of the Student Handbook. The College will cooperate to the fullest extent possible, with any criminal investigation or prosecution of sexual assault incidents involving any member of the Great Lakes Christian College community. The College will not ordinarily wait for the conclusion of any criminal investigation or proceedings to commence its own investigation and may take interim measures to protect members of the College community.

All sexual assault reports shall be treated with gravity, dignity, and justice throughout the process. Members of the College community should not do any of the following:

1. Pressure anyone to suppress a report of sexual assault;
2. Cause anyone to believe that he or she is responsible for the commission of any crime against him or her;
3. Communicate to anyone that he or she was negligent or assumed the risk of being assaulted by reason of circumstance, dress, or behavior; or
4. Communicate to anyone that the College would incur unwanted publicity as a result of a report of sexual assault.

Sexual Contact

Sexual contact means the deliberate touching of a person's intimate parts (including genitalia, groin, breast or buttocks, or clothing covering any of those areas) for the purpose of sexual gratification, or using force to cause a person to touch his or her own or another person's intimate parts.

Sexual Harassment

Sexual harassment is a matter of particular concern to an academic community in which students, faculty, and staff are related by strong bonds of intellectual and spiritual interdependence and trust. Accordingly, if the College has actual knowledge of sexual harassment in its educational programs or activities against a person in the United States, it must respond in a manner that is not deliberately indifferent.

Sexual harassment consists of nonconsensual sexual advances, request for sexual favors, or other verbal or physical conduct of a sexual nature when one of the following is true:

1. [Quid pro quo] An employee of the recipient conditioning the provision of an aid, benefit, or service of the recipient on an individual's participation in unwelcome sexual conduct; or
2. [Hostile environment] Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the recipient's education program or activity; or
3. [Clery crimes] Sexual assault, dating violence, domestic violence, or stalking.

Sexual harassment may be found in a single episode as well as persistent behavior. Conduct that occurs in the process of application for admission to a program or during selection for employment, and conduct directed toward a member of the College Community is covered by the policy. In addition, conduct by third parties (i.e. individuals who are neither students nor employees, including but not limited to invited guests and consultants) is covered by this policy if the College exercises substantial control over that individual and over the context in which they interacted with the College community.

Sexual Violence

Sexual violence is a form of sexual harassment prohibited by Title IX. Sexual violence includes any physical sexual act perpetuated against a person's will or where the person is incapable of giving consent. Sexual violence includes, but is not limited to, rape, sexual assault, sexual battery, and sexual coercion.

Stalking

Stalking means two or more acts, including, but not limited to, acts in which the stalker directly, indirectly, or through third parties, by any action, method, device, or means, follows, monitors, observes, surveils, threatens, or communicates to or about a person, or interferes with a person's property.

Standards of Conduct

Standards of conduct means the College's standards of conduct as approved by the College's Administrators and/or Board of Trustees and published in the appropriate College handbooks.

Statutory Rape

Non-Forcible sexual intercourse with a person who is under the statutory age of consent.

Third Party

Third party means any individual, including a contractor or invited guest, who is alleged to have committed sexual misconduct against a College community member.

III. Teacher – Student Consensual Relations

The integrity of the teacher-student relationship is the foundation of the College's educational mission. This relationship vests considerable trust in the teacher, who in turn, bears authority and

accountability as a mentor, educator, and evaluator. The unequal institutional power inherent in this relationship heightens the vulnerability of the student and the potential for coercion. The pedagogical relationship between teacher and student must be protected from influences or activities that can interfere with learning and personal development.

Whenever a teacher is [or in the future might reasonably become] responsible for teaching, advising, or directly supervising a student, an amorous relationship between them is inappropriate and should be avoided. In addition to creating the potential for coercion, any such relationship jeopardizes the integrity of the educational process by creating a conflict of interest and may impair the learning environment for other students. Finally, such situations may expose the College and the teacher to liability for violation of laws against sexual harassment and sex discrimination.

For purposes of this policy, “direct supervision” includes the following activities (on or off campus): course teaching, examining, grading, advising, research, supervising other academic and social activities, and recommending for admissions, employment, internships, or awards.

“Teachers” includes, but is not limited to, all full-time, part-time, and adjunct faculty of the College. It also refers to those serving as guest or substitute instructors.

“Students” refers to those enrolled in any and all educational and training programs of the College.

Additionally, this policy applies to members of the College Community who are not teachers as defined above, but have authority over or mentoring relationships with students, including athletic coaches, supervisors of student employees, advisors, directors of student organizations, residential advisors, as well as others who advise, mentor, or evaluate students.

Teachers or students with questions about this policy are advised to consult with the College’s Title IX Coordinator, the Dean of Students, or their supervising Vice President.

IV. Other Related Misconduct

In accordance with this policy, the College is empowered to investigate allegations of, and to impose sanctions for, sex discrimination, sexual harassment, or any other violations of the College’s standards of conduct directly related to the allegations brought under this policy. Such related misconduct may include, without limitation, incidents of domestic violence, dating violence, and stalking as those terms are defined by state and federal laws. Violations of the rules of confidentiality as articulated herein, violations of any interim measures imposed under this policy, and/or violations of other Standards of Conduct that occur in connection with the alleged sexual misconduct may also implicate the use of this policy.

The College cannot impose disciplinary action against a Complainant or witness of his or her improper use of alcohol or drugs, provided that such person is acting in good faith as a Complainant or witness to the events of the alleged sexual misconduct.

VI. Grievance Process

A. Conditions and Definitions

i. Confidentiality

1. The College shall protect the privacy of individuals involved in a report of sex discrimination to the extent allowed by law and College policy. Communications to health and counseling professionals may be privileged and confidential. Because the content of discussions with confidential resources is not reported to the College office of record, such discussions do not serve as notice to the College to address the alleged discrimination or sexual misconduct.
2. In the event of a report of sex discrimination being received by other College officials including administration, faculty and staff, such officials are required by law to relay such reports to the Title IX Coordinator and, in some instances, to law enforcement officials. In such cases, the College will balance the needs of the parties for privacy with the College's responsibility to ensure a safe educational environment and workplace. In some cases, strict confidentiality may not be possible or appropriate. An individual's request regarding the confidentiality of reports of discrimination or sexual misconduct will be considered in determining an appropriate response; however, such request will be considered in the dual context of the College's legal obligation to ensure a working and learning environment that is free from discrimination or sexual misconduct and the rights of the accused to be informed of the allegations and their source. Some level of disclosure may be necessary to ensure a complete and fair investigation.

ii. Definitions of Parties

Such a decision shall be supported by a written report containing findings of fact, along with a recommendation by the Decision-Maker of the remedial and/or disciplinary action(s) to be taken.

- xi. Appeal of Findings of Investigation
 1. All parties to the complaint may appeal the findings and recommendation of the Title IX Coordinator. All grounds for appeal should be based on the emergence of new evidence that was previously unavailable, on the grounds that some aspect of this policy or procedure was not adequately followed or evidence of bias on the part of the Title IX Team.
 2. The final appeal shall be the impartial review and decision by the Administrative Cabinet, provided that no member was involved as a party or witness to the investigation, in which case the appeal shall be reviewed by the Chairman of the Board of Trustees.

 - ii. In the event the Title IX Coordinator finds that the Respondent has committed an act of sex discrimination as defined by this policy the matter will proceed as follows:
 1. Students: If the Respondent is a student, the Dean of Students or Title IX Coordinator will determine and administer the appropriate disciplinary action. If the College student is found to have committed sexual assault the Dean or Title IX Coordinator may initiate expulsion proceedings pursuant to the Student Handbook.
 2. Staff: If the Respondent is a staff member, the Title IX Coordinator will recommend the appropriate disciplinary action to the Vice President of Finance and Operations. If a staff member is found to have committed a policy violation, then his or her employment may be terminated in accordance with the Employee Handbook.

In cases where the faculty member's actions warrant discharge or termination of employment, the Title IX Decision-Maker will recommend to the President that termination proceedings be initiated. If the President accepts the recommendation, the matter will proceed in accordance with the terms of the College's Faculty Handbook providing for "Dismissal for Cause."
 4. Administration: If the Respondent is a member of the administration (and not the President) the matter will be referred to the President for appropriate action. If the Respondent is the President, the matter will be referred to the Chairman of the Board of Trustees for appropriate action.
 5. Trustees: If the Respondent is a member of the Board of Trustees (and not the Chairman) the matter will be referred to the Chairman of the Board.
